saying. Im, they think that (clears throat) you've been taking this whole thing a lot more seriously than the police or the FBI and other federal people have been taking it, and uh, it seems to be getting to the point where they're not worried about you so much as they're worrying about other people, or at least I am.

It's uh, it's really up to you to make sure that these people don't don't jeopardize my life by charging in and doing stupid things. (Sigh) And I hope that you'll make sure that they don't do anything else like that Oakland house business.

with me and, and (sigh) I really, I mean I feel pretty sure that I'm going to get out of here if everything goes the way they want it to, and I think you should feel that way too, and (sigh) try not to worry so much. I mean I know it's hard but I heard that hom was really upset and that everybody was at home, and then I hope that this puts you a little bit at ease and that you know that I really, I really am all right.

Uh, I just hope that I can get back to everybody really soon.

The SLA has theological ties with the IRA, the peoples struggle in the Philippines and the socialist people

and uh Pue to Rico, in their struggl for independence and they consider themselves to be soldiers who are fighting and aiding these people.

I am a prisoner of war and so are men in San Quentin. I'm being treated in accordance with the Geneva Convention and one of the conditions being that I'm not being tried for crimes which I'm not responsible for. I'm here because I am a member of a ruling class family, and I think you can begin to see the analogy with the people in San Quentin and in San Quentin are being held and are going to be tried simply because they are members of the SLA and not because they've done anything. (Pause). Witnesses to the shooting of FOSTER saw black men and wh, and two white men have been arrested for this. You've been told this so that uh you'll understand why I was kidnaped and uh so that you'll understand that whatever happens to the two prisoners is going to happen to me. You have to understand that I'm held the innocent the same way the two men in San Quentin are innocent, and that they are simply members of the group and have not actually done anything themselves to warrant their arrest. They apparently were part of an intelligence unit and have never executed anyone.

The SLA has declared war against the government and it's important (sigh) that you understand that that they know what they re-doing, and they understand what their actions mean, and that you realize that this is not considered by them to be just a simple kidnaping, and that you don't treat it that way and say I don't know why she was taken. I'm telling you now why this happened so that you'll know and so that you'll have something to use, some knowledge to try to get me out of were.

If you can get the food thing organized before the 19th, then that's okay and it will just speed up my release um. Today's Friday the 8th and (sigh) in Ku-Wey the commandos negotiated the release of their hostages in a country but

Male Voice: Uh, Mr. HEARST, uh as your daughter said um she is being held under the national codes of war regarding prisoners of war and that she is not going to be harmed in any manner unless attempt is made to release her by force. She is being properly treated, properly fed, and she has an exercise area, um, fresh air and so forth and she is not being harmed in any fashion. Uh and this is also related to our captured soldiers that are being held at San Quentin and we hope that they will receive the same treatment according to the international codes of war. We understand from the uh national

reports and so forth that the police uthorities and others are attempting uh to uh put the responsibility upon us concerning the uh life of your daughter and to distort and uh mislead the realities of the facts of the matter. Lowever, uh we wish to express to you and to the authorities and to the public that whatever happens to your daughter will be totally your responsibility and the responsibility of the authorities which you represent. Her life will be maintained in the fashion that is accorded to the terms of war and if they, yourself, violate these, her life and the blood of that will be upon your hands only. In regards to communication, um for um security reasons and because of where we are at, that it is not possible for us to maintain a continuous flow of communications with you. So don't expect phone calls or communications three or four times a week because they won't come. Uh when the uh stated good-faith gesture is conducted and we have means to ascertain as to if they are, we will begin negotiations for the release of your daughter. Until then, you can be sure and um have our word, whatever that may be to you that we will carry out our word to the letter and we mean exactly what we say.

### AUGUST 21, 1973

The Symbionese Federation and The Symbionese Liberation Army is a united and federated grouping of members of different races and people and socialist political parties of the oppressed people of The Fascist United States of America, who have under black and minority leadership formed and joined The Symbionese Federated Republic and have aspeed to struggle together in behalf of all their people and races and political parties interest in the gaining of FRETOOM and SELF DYFENTY-ATION and INDEFENDANCE for all their people and races.

The Symbionese Federation is NOT A GOVERNEED, but rather it is a united and federated formation of members of different races and people and political parties who have agreed to struggle in a UNITED FRONT for the independance and self determination of each of their races and people and The Liquidation of the Common Ememy

And who by this federated formation represent their future and independent pre-rovements and nations of their people and races. The Symbionese Federation is NOT A FARTY, but rather it is a Federation, for its members are made up of members of all political parties and organizations and races of all the most oppressed people of this fascist nation, thereby forming unity and the full representation of the interests of all the people.

The Symbionese Liberation army is an army of the people, and is made up of members all the people. The S.L.A. has no political power or political person over it the dictates who will fight and die if needed for the freedom of our people and childred but does not risk their life or fight too for our freedom, but rather the S.L.A. is both political and military in that in the S.L.A. the army officer, whether female or male is also the political officer and they both are the daughters and sons of the people and they both fight as well as speak for the freedom of our people and children.

The Symbionese Federation and The Symbionese Liberation Army is made up of the age youth and women and men of all races and people. The name Symbionese is taken fro the word symbiosis and we define its meaning as a body of dissimilar bodies and or ganisms living in deep and loving harmony and partnership in the best interest of all within the body.

We of the Symbionese Federation and The S.L.A. define ourselves by this name becau it states that we are no longer willing to allow the enemy of all our people and children to murder, oppress and exploit us nor define us by color and thereby main tain division among us, but rather have joined together under black and minority leadership in behalf of all our different races and people to build a better and n world for our children and people's future. We are a United Front and Federated C alition of members from the Asian, Black, Prown, Indian, White, Momen, Grey and Gay Liberation Movements.

Who have all come to see and understand that only if we unite and build our new world and future, will there really be a future for our children and people. We of the People and not the ruling capitalist class, will build a new world and system. Where there is really freedom and a true meaning to justice and equality for all women and men of all races and people, and an end to the murder and oppression, extation of all people.

Yet, recognizing the school cultures of each and enforcing our rights to existance of our many cultures within a united federation of imperendant and sovereign nations, each of them lourishing and protected by its own laws end codes of self determination.

We are of many colors, but yet of one mind, for we all in history's time on this earth have become part of each other in suffering and in mind, and have acreed the murder, oppression and exploitation of our children and people must end now, we all have seen the murder, oppression and exploitation of our people for too lounder the hand of the same enemy and class of people and under the same system.

Knowing this, the Symbionese Federation and The S.L.A. know that our often murder alienation from each other aids and is one of the fundamental strengths behind the ruling capitalist class's ability to murder and oppress us all. By not allowing them to define us by color, and also recognizing that by refusing ourselves to also internalize this false division definition, knowing that in mind and body we are facing the same enemy and that we are all compades of one people, the nurdered and oppressed, we are now able to become a united people under the Symbione eration and make true the words of our codes of unity that TO DIE A PACE, AND BE BORN A NATION, IS TO BECOME FREE.

Therefore, we of the Symbionese Federation and The S.L.A. DO NOT under the right of human beings submit to the murder, oppression and exploitation of our children and people and do under the rights granted to the people under The Declaration of Independance of The United States, do now by the rights of our children and people by Force of Arms and with every drop of our blood, Declare Revolutionary War again the Fascist Capitalist Class, and all their agents of nurder, oppression and exploined. We support by Force of Arms the just struggles of all oppressed people for determination and independance within the United States and The World. And hereby offer to all liberation novements, revolutionary workers groups, and peoples organizations our total aid and support for the struggle for freedom and justice for a people and races. We call upon all revolutionary black and other oppressed people within the Fascist United States to come together and join The Symbionese Federation fight in the forces of The Symbionese Liberation Army.

Gen. Field Yarshall

Each cell of The S.L. TACTICAL SUPPORT UNITS is composed of elements of other organizations and groups and individuals. Under the stategy of The S.L.A. it is totally impossible to follow the esotistic aspirations of many leaders of political organizations, since they continue to organize new organizations everytime one falls apart, when they fail to understand that the people always organize to fight the ene and when leaders fail to start the fight, then the people fall from that organization

To continue in this manner is totally reactionary, egotistic, opportunist and ant-reutionary, since to do so only allows for the continued grouping and regrouping of the revolutionary people for the fight that never comes and with the only purpose of orgzing.

This is totally anti-revolutionary for within the true purpose of revolution there is TWO DEEP PURPOSES: TO DESTROY THE ENERY AND FREE THE PROPER. This in itself means to need for any army of the people that fights the enery.

In order to organize, one must organize in support of something, one does not organic support of having or belonging to or just to organize, but rather one must have a pur organize around, and since in revolution it is the purpose to organize to fight the and to support those that fight on the front lines, it is then clear that the people ganize to fight and destroy the enemy. They do not organize to fight the enemy and tween it comes time to fight, claim that to fight the enemy will endanger the organization this would show them to be lovers of positions and the organization and not true revolutionaries that love the people and children.

Since you as members of the people have organized to fight the enemy, for the reason you are and do love the people, then it is clear to you where your true responsibilit and that is to join and support those who are in the front lines fighting the the ene of us all, regardless of what color, group or organization they belong to, for the peare just this, they are not or organization or color or group, they are the oppressed exploitated and the murdered, they are those we love and for whom we, if needed are we to die for, they are our children.

Therefore what is needed now is for you as lovers of the people to select in what are you are able and willing to fight in or give support to, either in the combat units o support units of The S.L.A., the choice is yours alone: to be and show yourselves as of the people and our children and true to your word revolutionaries or as egotistic tunists and lovers of the group and organization and enemies of the people.

An envelope addressed to the "R. A. HEARST Family,

233 W. Santa Inez Ave., Hillsborough, Calif. 94010", postmarked Palo Alto, California, February 11, 1974, with a
return address of "SLA", was received from

U. S. Postal Annex, Burlingame,
California.

Inside this envelope was a letter dated Monday, February 11, 1974, addressed to the HEARST Family which reads as follows:

"(Second Commandment: 'For I the Lord am a jealous God and visit the sins of the fathers upon the children unto the third and fourth generation.)

No, we are not religious nuts, but we hate you for your father's part in starting the Spanish-American War, and also for his later, cheap liason with the trollop MARIAN DAVIES.

"Our male anscestors were killed in your father's war and their wives were left with pensions of \$25 to \$50 a month for life. We wonder how you can hold up your heads in decent society, and why your contemporaries can stomach your presence. Our once proud families were destroyed by your father's war----which he started to boost his circulation.

#### "HERE IS WHAT WE DEMAND:

Before we release your daughter PATRICIA, you must show proper humility by acknowledging the guilt of WILLIAM RANDOLPH HEARST (in regard to starting yellow journalism and instigating the Spanish-American War). You must publicly beg the forgiveness of your country. This must be done on ALL media and must be expressed in terms of abject humility.

Result of examination:

The typewriting on Q43 and Q44 is the same style of type as the typewriting on Q41 and Q42, previously submitted, which were found to correspond to Laboratory standards for a Setag pica style of type, spaced 250 millimeters per one hundred characters. This style of type is used on typewriters manufactured under brand names including Calanda, Hermes, Japy, and Princess. Although some characteristics in common were observed in comparing the typewriting on Q42 and Q43 with the typewriting on Q41 and Q42, a definite conclusion was not reached whether these items were prepared by the same typewriter due to the lack of a sufficient number of individual identifying characteristics.

No typewriting on items previously submitted in this case or in case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" was determined to correspond to this style of type.

A watermark reading "Erasable Bond 25% Cotton Content" appears on Q44. Watermarks of this type are registered to the Kimberly-Clark Corporation, Neenah, Wisconsin. Q43 and Q44 contain no other watermarks, indented writing of significance or other characteristics to aid in definitely determining their source. An eight cent U.S. Postal Service stamp, torn from a rollrof stamps, is affixed to Q43.

FBI Latent Fingerprint Section Reports Q45, Q48, Q49

At approximately 6:30 PM, February 13, 1974,
WILLIAM RANDOLPH HEARST, III, mephew of RANDOLPH A. HEARST,
233 West Santa Inez, Hillsborough, California, furnished
the following item to SA
approximately 1:30 PM from News Director PAUL FISHER, KPFA
Radio Station, Berkeley, California. This item is described
as follows:

A manilla envelope, approximately 12 3/8"x9 3/8", containing a glue flap and a closing metal page tab on one end. There was a jagged tear approximately 4 1/2" long on the flap end of the envelope. The closing flap was also considerably torn. The front of the envelope contained the following hand block printed, addresses and notations: addressed to "KPFA Radio Station - News Dept., 2207 Shattuck Ave., Berkeley, Calif., 947". In the upper left-hand corner was the following return address: MARILYN BAKER, KOED Television, Chanel 9, 1011 Bryant, San Francisco, Calif. To the right of the return address and directed to the return address by bracket, was the following notation: "To The Attention Of". The envelope contained two notations of "Hand Cancel" on the front and one notation of "Hand Cancel" on the back. There was no other writing on this envelope. The envelope also contained, in the upper right-hand corner, six eight cent stamps entitled "Rural America". These stamps were brown and yellow in color. These stamps were cancelled, however the cancellation mark was illegible. The envelope was folded in the center.

HEARST advised that he does not know who handled this envelope and did not see anyone handle the envelope, inasmuch as when FAUL FISHER of KPFA Radio Station handed it to him, it was inside another envelope.

Dad, Mom. I am making this tape to ah let you know that I am still O.K. and to explain a few things, I hope. There was ah some misunderstanding · - - - gesture. about that and um you should just do what you can. understand that you want to meet their demands and that um and they were they had every intention that you should be able to meet their demands. They weren't trying to present unreasonable request. It was never intended that you feed the whole state. Um, so whatever you come up with basically is O.K. and just do it as fast as you can and everything will be Um, but the SLA is really mad about um certain attempts to ah make receiving the food be ah, you know receiving goods that have been gotten by extortion, and um they just, they don't want people to be harassed by the police or by anybody else; and um I mean I hope you can do something about that and if can't, well, they will do something about it. So, you shouldn't worry about that too much. Um, also, I would like to emphasize that I am alive and that I am well and that ah. in spite of what certain tape experts seem to think, I'm (sigh), I mean I am fine, and ah it's really depressing to hear people talk about me like I am dead. And ur, You know I just can't explain what that is like. What it does, also is that it it begins to convince other people that maybe I am dead and um, when everybody is convinced that I am dead, well then it gives the FBI

PH:

an excuse to come in here and try to pull me out and ah I'm sure that Mr. Bates understands that ah if the FBI has to come in and get me out by force that they won't have time decide who not to kill. They will just have to kill everyone. And um I don't particularly want to die that way. Um, but I hope you will realize that everything is O.K. and that um you know just to back off for a while. There will be plenty of time for investigating later. I am basically an example and a symbolic warning not only to you but um to everyone that um that there are people that are not going to accept um to accept your support of ah of other governments and that - and murder of the people. And um, this is a warning to everybody and it is also to show what can be done when it is necessary, that people can be fed, and to show that it is too bad that it has to happen this way to make people see that people, that there are people who need food. But, ah, now maybe something can be done about that so that things like this don't have to happen again. SLA is also very annoyed about attempts by the press and by authorities to turn this into a racial issue. It is not. This is a political issue and it is a politi they have taken and anyone who really stated objective of the SLA can see very clearly that this not a racial thing. And, um, I hope there won't be anymore

confusion about that. Turn over my notes there so. um. being held as a prisoner of war and not as anything else. mean I am being treated in accordance with international codes And so you shouldn't listen or believe what anybody else says about the way I am being treated. This is the way that I am being treated. And I am not left alone and I am not just shut off. I am, I am fine... And um, I am not being starved and I am not being beaten or tortured but really. Also si I am an example and its really important that everybody understand that you know I am an example and a warning and because of this its very important to the SLA that I return safely, and uh so people should stop acting like I'm dead and mom should get out of her black dress. That doesn't help at all. And uh, and that I wish she'd try to understand the position that I am in and I'm right in the middle and I have to depend on what all other, all kinds of other people are going through and it's really, it's really hard for me to hea about reports you know and uh I hope you'll try to underst and try to do something. I know that a lot of people have written and are really concerned about me and my safety and about what you're going through and you know I want them all to know that I'm okay and to understand that I'll be okay as long as the SLA demands are met and as long as the two prisoner: in San Quentin are okay, and uh, and as long as the FBI

doesn't come in here. And that is my biggest worry. And, because I, because I think I can get out of here alive as long as they don't come busting in. And I really think you should understand that the SLA does have an interest in my returning and uh, and try not to worry so much, and just do what you can, and I mean I know you're doing everything. Uh, you take care of Steve and, uh just hurry. Bye. On Wednesday Solzhenitsyn was exiled to West Germany. This is Field Marshall Cin speaking. A definite conclusion was not reached whether the questioned hand printing on Q45 and Q48 was prepared by the writers of the questioned writing on items previously submitted in this case, items submitted in the case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" or the case captioned "AUGUST SEVENTH GUERRILLA MOVEMENT (ASGM) EM," due to the lack of sufficiently comparable writing and the presence of unexplained variations.

A definite conclusion was not reached whether the questioned writing in this case, the SLA case or the ASGM case was prepared by NANCY LING PERRY, purported writer of Kc4 in this case and item K4 in the SLA case or by EMILY HARRIS, purported writer of K5, due to the presence of unexplained variations and the lack of sufficiently comparable known writing.

The conclusion was reached that the typewriter used to prepare K6 was not used to prepare the questioned typewriting on items submitted in this case, the SLA case or the ASGM case.

Embossed eleven cent Air Mail envelope postmarked "LOS ANGELES, 26A AM 1 FEB 1974" bearing hand printed address "KPFA RADIO STATION, 2207 SHATTUCK AVE, BERKELEY, CALIFORNIA 9470 "

Photocopy of typewritten letter beginning "Communique #5 ....On the 20th day of February...."

Result of examination:

The conclusion was reached that the typewriter used to prepare the original letter of which Q52 is a copy, was not used to prepare the typewriting on items previously submitted in this case, items submitted in the case captioned "Symbionese Liberation Army (SLA) EM" or the case captioned "August Seventh Guerrilla Movement (ASGM) EM."

Due to the limited amount of hand printing and the presence of unexplained variations, a definite conclusion was not reached whether the hand printing on the Q51 envelope was prepared by the writer or writers of hand printing on other items submitted in this case, the SLA case, or the ASGM case.

Q52 is a photocopy made utilizing an electrostatic process with coated paper.

The typewriting on Q52 most closely resembles Laboratory standards for an Olympia elite style of type spaced twelve characters per horizontal inch.

Q51 is an eleven cent embossed U. S. Postal Service airmail envelope bearing a U. S. Government watermark. Q51 and Q52 contain no indented writing of significance or other characteristics which would aid in definitely determining their source.

No residues of potassium cyanide were found on the Q51 envelope or the Q52 letter.

Q51 and Q52, which have been photographed, are being returned separately.

Reporter, Palo Alto Times, 245 Lytton Avenue, advised at 6:30 p.m., Friday night, February 8, 1974 he had received a telephone call from a man who identified himself only as SANZZINGA. He stated the individual indicated that he was a messenger for the Symbionese Liberation Army (SLA). He described the individual's conversation as being fuzzy at times indicating the individual may have been under the influence of alcohol or narcotics. He stated that the individual rambled, but stated that much of the conversation contained information concerning known radical groups. He stated that he sould not recognize the voice as being anyone he has had contact with in the past. He stated that the individual indicated what he was black and added that the individual's speech indicated that he was in fact black. that the undividual indicated that he was calling from a pay station and noted that it was probably a local pay station in that there was no interruption during the course of the conversation by an operator.

and added that the only record of comments made during the course of the conversation were contained in some rough forms. Stated that he provided this individual his name and number in case SANZZINGA wanted to re-contact him. He stated that SANZZINGA indicated to him that if there was any recourse to himself or to the SLA as a result of this conversation, he would have his name and address.

## FEDERAL BUREAU OF INVESTIGATION

 $\frac{2/9/74}{}$ 

provided the following information:

At about 6:30 PM, Friday night, February 8, 1974, the "Palo Alto Times" received a telephone call from a man who identified himself only as "SANZZINGA", a messenger for the Symbionese Liberation Army (SLA). The call was received by reporters

and monitored in part by

The conversation continued until approximately 7:45 PM with one interruption.

The interruption was for "SANZZINGA" to consult with a superior, the Sergeant at Arms, on a request the Times made that a reporter be allowed to visit PATRICIA HEARST under conditions established by the SLA. "SANZZINGA" called back after a short, two minute interruption and said such a meeting was not possible, that the risk was too great at this time.

Before closing the conversation, the Times asked that he check with his superior to determine if Miss HEARST could telephone the Times. "SANZZINGA" indicated he would do this. The Times also arranged to contact "SANZZINGA" by placing an advertisement in the personal want ads requesting "SANZZINGA" to call the Times.

Copies of rough notes taken by the above-mentioned reporters while on the telephone with "SANZZINGA" will be retained in a lA exhibit. A condensed portion of major statements is as follows:

As related to PATRICIA HEARST:

"SANZZINGA" said she is unharmed and will remain unharmed. Her parents will hear from her in 48 hours. The SLA will not seek to trade her for JOSEPH MICHAEL REMIRO and RUSSELL LITTLE, two men charged in the killing of MARCUS FOSTER. When asked if SLA would consider a trade, "SANZZINGA" said, "No, that is not it because we know what we're bound for before we even start. We cannot release PAT HEARST

for Miss HEARST. He also said, "She will not be harmed. Her father knows. He is not saying, but he knows. If he wants his daughter loose, he knows and if the man had printed what we requested him to print, his daughter would be at home or in Derheley right now, but he is a fascist and an insect. It was to be printed, what we are about and about what we wanted. HEARST has a demand that we put forth for him to carry out for us. He did not carry out the demand and we told him he would suffer grave consequences. She's not dea. Her parents will hear from her in two days."

"SAN7ZINGA" said about NDARST's ability to release the jailed

# As relates to MARCUS FOSTER:

"MARCUS FOSTER not a warning before he was killed. He disregarded some of the demands that we had set forth on the schools." The caller said HEARST also disregarded a demand made before the kidnaping of his daughter.

## As relates to SLA:

"SANZZINGA" said the SLA has branches. He belongs to a messencer branch. The SLA, he said, contains members from the Black Panthers, La Raza Unida, and the Vietnam Veterans Adainst the War. He said that he is a former member of the Venceremos, of the University Avenue Branch in East Palo Alto. However, he was unable to identify the names JEFF YOUDLEMAN and PHIL TROUNSTEIN, two Venceremos members.

The SLA, he said, is "not just something like the Black Panthers. We are not a Marxist, leftist organization. We are people who are tired of being oppressed in our country. People only seem to get the message when someone is blown away - but some fascists, that is the only way we can stop them is to blow them away."

# As relates to the message:

Apparently, although saying Miss NEARST would not be hurt, "SANZZINGA" wanted to say she could be hurt if anyone bombed a black ghetto or endangered an SLA member. This is not a threat to anybody or anyone. We are trying to get the people free. We are not trying in any way to harm anyone.

"SANZZINGA" said he was instructed to listen to a
EPFA radio news broadcast. The broadcast was to be at 4:30
PM. "SANZZINGA" said it reported that letters were received
threatening to bomb East Palo Alto and Menlo Park black
areas if Miss HEARST was not released unharmed. He warned
against threats of violence against any community and any
member of the SLA. "If anybody in any ghetto or any borough
is to be harmed because of what we are trying to do for the
people, "he said, "This will be war."

"We are not a sick organization. We are not an organization to harm anyone."

The purpose of the SLA, he said, is to bring peace and tranquility to the world. We want a place where our babies can grow and be free, can grow without hatred, that is all we want."

He said, "I'm a messenger filled with grief, not with hate. I tell you we are tired of all this hatred in the United States."

"We want the dope out of the United States," he said at one time, "They can keep the tsetse fly out but they can't keep the dope out," referring to narcotics.

"SANZZINGA" said he wanted a country where people can turn up the heat, get a job, live together. "Your back yard is no better than my back yard."

As relates to "SANZZINGA" and his location:

"SANZZINGA" described himself as black and a Vietnam veteran. He said he was speaking from a pay phone, but there was not apparent background noise except from time to time the sound of a small child.

We wasn't expecting that for him to meet the whole demands on the thing and to keep trying and everybody in Los Angeles is trying to help the man. Miss I'm sorry, could you repeat that?

Miss What was the amount now?

Male Voice: One hundred thousand, ten's and twenties, and I want it at the Continental Bus Station. I want the key. I want it put in a locker and I want the key taped under a phone booth.

Male Voice: Ma'am I don't want this.

Miss Okay, ten's and twenties.

Male Voice: I want out of the bunch. I want to get away from them.

Miss Right. Ten's and twenties.

Male Voice: That's right. Then I want the key put under the telephone booth.

Miss Where is it to be brought to?

Miss Continental Bus Station?

Male Voice: Right, and tapethe key under the second phone there, and if there's any (inaudible) that any one fellow puts forth, it can cost me my life, but I can guarantee her, and there's one thing that if she doesn't get her daughter back by Monday at 5 o'clock, I'll guarantee her my life.

I don't like what we have done now. Should harm come to hiss hearst, it could destroy the faith that so many have in us, and it may jeopardize our ideals. Please get my message to them, in newsprint or on radio. Tell them that if they harm the prisoner, I will be forced to denounce them, and submit information on them. You must believe me, for a life may be at stake. I cannot come into the open, and I will not reveal them if they release the prisoner unharmed, once our greal goal is reached. It is as I feared. A on must have heard on the hews, they have increased their dema s. AS long as they hold M s Hearst prisoner, they will continue to do so. They will not be satisfied as long as they have the advantage. Believe me, they can and will carry out their threat should they decide to do so. What chance is there that they will release her to be an eye witness against them? Now more than ever, I fear that what we tried to do has gotten out of hand. I cannot say what their plans now are. I warned you in my first letter, which I hope you received, read, and believed, that they were dangerous when desperate. They have strayed from the origional plan. I do not know who is now in charge, nor what their intentions are, but I am greatly concerned for the prisoner. As I live in secrecy and hiding, I must withhold names. Do not look for me. Your duty is to protect the life of Miss Hearst. I cannot contact those who can do this, but you can. Again, I implore you to send warning to those in the SLA that should they harm the prisoner, I will expose them. They will know who I am, and they will know what I can do. Tell them there is a chance yet that we may accomplish what we set out to do, without hurting anyone. Please, tell them. I say again that lives are at stake. Can you ignore this, and take the chance that this is a hoax? Can you, or will you gamble that those who have killed before will not kill again? It is up to you. May God help us all if you decide wrong.

#### INFORMATION CONCERNING

DONALD DAVID DE FREEZE:

California, our SFO and Sacramento Office have obtained copies of driver's license photographs wherein there are physical similarities to and these are to be displayed to acquaintances of in attempt to make identification.

Investigation regarding DeFreeze has determined that he has a desired preference for plum wine which he comsumes on a daily basis. A survey of five counties in the San Francisco bay area has determined some 5,000 outlets for a particular Japanese brand of plum wine which it is believed DeFreeze prefers. Special Agent personnel on a select basis are canvassing liquor stores in this area where the radical element would most likely congregate. During these contacts, photographs of known SLA members and prime suspects are being shown.

BACKGROUND NOISES CONTAINED ON CASSETTES RECEIVED 2/12-16-20/74, FROM SLA:

SFO has determined that there are approximately six bird noises on these tapes. These were isolated and placed on another tape. On 3/1/74, this tape was played for a representative of the Audubon Society. This individual stated that there was a limited amount of any one bird sound making it difficult to identify any of the sounds, however, he did state that he believed one bird is a Black Phoebe, natural habitat near fresh water. He thought the possibility for another bird is a Band Tail Pigeon indigenous to the California coast. SFO plans on playing the bird tapes to at least one other ornithologist for additional opinions in this matter the hope being to identify a bird sound to a particular area.

### MINDOLPH A. HEARST, VICTIM'S FATHER:

Mr. Hearst the matter involving the kidnaper's demands previously furnished by Doctor Leo Samuels Kimbrough War. Hearst stated that since last contacted 2/25/74, by Kimbrough, he had received no additional communication from him. He said that should Kimbrough recontact him, he would request that Kimbrough furnish this information to FBI. Mr. Hearst assured SAC, SFO that under no circumstances will he engage in any negotiations concerning virtum.

Memorandum to r. Chardt RE: HEARNAP

SAC Bates is in contact with Mr. Hearst on a daily basis and Mr. Hearst has been repeatedly informed that FBI will ... not engage in any activity which will in any way jeopardize the safety of the victim.

Our SFO is following the Kimbrough matter closely and in the event there are no subsequent contacts, SFO plans on interviewing Kimbrough for all information was possess regarding this matter?

At 1:30 p.m., EDT, 3/3/74, Mr. and Mrs. Hearst appeared before the media at their Hillsborough, California, home. They stated they were using the television and radio media to communicate with their daughter as they had not heard from her for 10 days. Mr. Hearst expressed his belief that the victim is alright and that she was being held under the Geneva Convention. He noted in this regard that she should be allowed to communicate with other people and requested she attempt to send a "note or something" to let them know she was okay. Mrs. Hearst stated that victim's father was doing everything in his power for her and for her to keep up her courage.

#### AFFIDAVIT IN SUPPORT OF INTERCEPTION OF WIRE COMMUNICATION

Affiant, \_\_\_\_\_being duly sworn deposes

That he is a Special Agent (SA) of the Federal Bureau of Investigation (FBI) and is an "investigative or law enforcement officer - of the United States" within the meaning of Section 2510 (7) of Title 18, United States Code, that is -- he is an officer of the United States who is authorized by law to conduct investigations and to make arrests for offenses enumerated in Section 2516, Title 18, United States Code. In that capacity he ascertained the following:

A review of files of the San Francisco Office of the FBI by affiant revealed that the following information was developed through investigation by Agents of the San Francisco Office and disclosed violations of the Federal Extortion Statute, Title 18, United States Code, Section 876 and possible violation of the Federal Kidnaping Statute, Title 18, United States Code, Section 1201:

At approximately 9:30 PM, on February 4, 1974,

PATRICIA CAMPBELL HEARST was abducted by two unidentified

Negro males and an unidentified white female from Apartment 4,

2603 Benvenue, Berkeley, California.

The first unidentified Negro male carried a rifle similar to a deer rifle, although somewhat shorter, with a wood stock.

PERICLOSURE / 1 2 2 0 847

The second unidentified Negro male possibly carried a rifle.

STEVEN ANDREW WEED, fiance of PATRICIA HEARST,
was in the apartment at the time of the abduction. He was
knocked to the floor by the first unidentified black male,
tied up, kicked repeatedly in the face and struck blows about
the head. WEED observed PATRICIA HEARST being bound by the
unidentified white female and one of the two unidentified black
males and later saw the three unidentified individuals,
referred to above, taking PATRICIA HEARST out of the front
door of the apartment.

WEED escaped through a back sliding glass door in the apartment.

STEVEN SUENAGA, a neighbor, was dragged into the apartment by one of the unidentified males, was tied up and struck several blows.

Affiant further has knowledge that an Agent of the FBI through investigation ascertained that a wallet, yellow - tan in color, and square shape, approximately 4" by 4", and belonging to STEVEN ANDREW WEED was determined to be missing from the brown leather purse belonging to PATRICIA HEARST and located at 2603 Benvenue, Apartment 4, Berkeley, California, after PATRICIA HEARST was abducted. The wallet was purchased

from Spencer Gifts, Atlantic City, New Jersey. WEED's initials "SAW" were embossed in one-half inch gold letters on one of the outside corners of the wallet.

The wallet contained the following items:

- 1. AAA Identification Card in the name of RANDOLPH A. HEARST.
- University of California, Berkeley, orange or red registration card in the name of PATRICIA HEARST.
- 3. California Driver's License in the name of PATRICIA HEARST.
- 4. Bank of America Courtesy Card in the name of PATRICIA HEARST.
- 5. Mobil Credit Card possibly in the name of RANDOLPH A. HEARST.
- 6. Phillips 66 Credit Card possibly in the name of RANDOLPH A. HEARST.
  - Possibly a Social Security Card.
  - 8. Possibly one or two photographs of WEED.

Affiant states further that he has knowledge that Agents of the FBI further ascertained from STEVEN ANDREW WEED that his wallet, thin brown leather, single fold, was stolen from him by the abductors of PATRICIA HEARST on the night of February 4, 1974. WEED recalled that the following items

were contained in his wallet:

- 1. California Driver's License in the name of STEVEN ANDREW WEED.
- Bank of America Check Guarantee Card in the name of STEVEN ANDREW WEED.
- 3. Orange or red colored University of California, Berkeley, Registration Card in the name of STEVE ANDREW WEED.
- 4. One or two business cards. One he recalls as being that of the Persepolis Rug Company, with a salesman's name DOKTI (phonetic) FOSTER:
- 5. Social Security Card in the name of STEVEN ANDREW WEED, number not known.
  - 6. Possibly two theatre discount cards.
- 7. One or two blank checks for his account at the Bank of America, Telegraph and Russell Branch, Berkeley, California. Both checks contained his name, address and telephone number printed thereon.
  - 8. \$20.00 to \$30.00 in bills.

Affiant states further that investigation conducted by Agents of the FBI developed the further information that PATRICIA HEARST was placed in the trunk of a 1963 white Chevrolet convertible, owned by PETER BENENSON, that this vehicle was driven from the Benvenue address and was later found abandoned on Tanglewood Drive, Berkeley, California.

at his home and at gunpoint had his car taken. He was tied up, gagged, blindfolded and placed in the rear of his automobile.

The first female referred to above, poked a gun in BENENSON's face, a long-barreled handgun, black in color, possibly a Luger.

The second female carried a handgun similar to that carried by the first female who accosted WENSON.

in the group that accosted him one of whom he described as a white male, who, according to the solution carried a long pipe with holes in it, possibly a weapon.

During the getaway from the Benvenue address after

PATRICIA HEARST was abducted, a number of shots were fired by
the abductors, some possibly from an automatic weapon.

Affiant further states that there is no indication that any of the guns or other objects referred to in the foregoing pages have been recovered.

A review of the files of the San Francisco Office of the FBI by affiant revealed that an Agent of the FBI ascertained that on February 7, 1974, a letter and envelope, which was addressed to KPFA Radio Station, News Department, 2207 Shattuck Avenue, Berkeley, California and postmarked Derkeley, California, February 6, 1974, and containing a return address of 5

Sandringham Road, Piedmont, California, was received from

Mr. RANDOLPH HEARST, who advised that he had just picked up
the letter and envelope from Radio Station KPFA in Berkeley,
California.

Also received from Mr. HEARST was a Mobil credit card in his name, Number 8132599823, which was also contained in the aforementioned envelope.

The letter is typewritten and reads as follows:

"SYMBIONESE LIBERATION ARMY

"DEATH TO THE FASCIST INSECT

THAT PREYS UPON THE LIFE OF THE PEOPLE"

Affiant further states that he has knowledge that an Agent of the FBI obtained a transcription of a tape played over Radio Station KPFA, Berkeley, during the morning of February 12, 1974. Portions of this transcription are as follows:

First Male Voice: "To those who would bear the hopes and future of our people, let the voice of their guns express the words of freedom. Greetings to the people and fellow comrades, brothers and sisters: My name is Sinque (phonetic) and to my comrades I am known as Sin. I am a black man and a representative of black people. I hold the rank of General Field Marshal in the United Federated Forces of the Symbionese Liberation Army. Today I have received an order from the Symbionese War Counsel, the Court of the People, to the effect that I am ordered to convey the following message in behalf of the SLA and to insert a taped word of comfort and verification that

"PATRICIA CAMPBELL HEARST is alive and safe. Liberation Army is the Federated Union of military political elements of many different liberation struggles and of many different races. Our unified purpose is to liberate the oppressed peoples of this nation and to aid other oppressed people around the world in their struggle against fascist imperialism and the robbery of their freedom and homeland. Since this is the purpose and goal of the SLA, it is therefore clear to us, as it will be to all the press people, that our interest is to serve and defend the people and not ourselves, since the people shall always come first in our hearts and souls. The SLA has arrested the subject for the crimes that her mother and father have by their actions committed against me the American people and the oppressed people and the oppressed people of the world."

"....For these acts and others, the Court of the People hold the HEARST family accountable for their crimes and hold that they are enemies of the people.

"We, of the Symbionese Liberation Army, hold that the HEARST Corporation and the HEARST family and the Board of Regents as well as the corporate states that they support and aid are enemies of the people, and as such, that the people have a legal and human right and "duty to attack said enemy, according to the forms of war taken by the oppressed people against any enemy or murderer and oppressor, to gain their freedom and liberty and to give life to their children and people."

Affiant states further that the transcription of the tape referred to above contains the voice of PATRICIA CAMPBELL HEARST addressing her mother and father and telling them that she is being held a prisoner by the Symbionese Liberation Army (SLA).

Affiant states further that Agents of the FBI on
February 16, 1974, obtained a cassette tape from SS MERCANTANTE,
who is employed as the Secretary to the Reverend CECIL WILLIAMS.

Pastor of Glide Memorial Church, Ellis Street, San Francisco,
who stated that the tape was obtained from a locker in the
Airport Bus Terminal, O'Farrell and Taylor Streets, San

Francisco, California. A transcription of this tape reflects
that PATRICIA HEARST is addressing her mother and father stating
that she continues to be a prisoner of the SLA and advising her
parents to make an effort to comply with the demands of the
SLA with regard to the distribution of food.

Affiant further states that on February 20, 1974, a tape was received by the FBI, San Francisco, from the Reverend CECIL WILLIAMS. A portion of this tape is as follows:

Male Voice: "To those who would bear the hopes and future of our people, that the voice of their guns express the words of freedom. Greetings to the people, comrades, sisters and brothers. General Field Marshal Cin speaking. The Symbionese War Council, a court of the people, has just finished hearing tapes and reading some of the news reports and statements made by the HEARST family concerning the arrest of PATRICIA CAMPBELL HEARST. In the court's second tape by PATRICIA it was stated that any good suggestion on the part of the Hearst empire would be basically okay. We, however, understand that PATRICIA wants to come home as soon as possible and that this statement could have been misinterpreted as meaning that an untrue gesture of good faith and regret would be accepted by the people, and this is not the case. There fore, at the end of that tape, statement by PATRICIA I myself, by the direction of the court, stated the feelings of the court and thereby clarified the request of the people. That statement reads as follows: We wish to clarify what your daughter has said about our request for a good faith gesture on your part. people are awaiting your gesture."

"...The plan proposed by Mr. HEARST is not at all

"acceptable as a gesture of good faith in this present form. It shall be acceptable only insofar as it totally meets the specifications, if it is the following:"

Affiant further states that the speaker then outlines several specifications and conditions dealing with future food distribution.

Affiant further states that a review of the files of the San Francisco Office of the FBI reveals that the FBI has developed information that on November 6, 1973, MARCUS FOSTER, Superintendent of Schools, Oakland, California, and his assistant, ROBERT W. BLACKBURN, were ambushed. FOSTER was killed and BLACKBURN was wounded. Shortly after the ambush (17 hours later), a Berkeley radio station received a letter from a group calling itself the SLA. In that communique, the group said it had been responsible for the killing and that the attack had been ordered by "The People's Court." The letter also said that the execution had been by cyanide bullets. A day later the Alameda County Coroner's Office confirmed that Doctor FOSTER had been shot with bullets that contained cyanide.

at these addresses and affiant further believes that there
is probable cause to believe that particular communications

concerning the kidnapping of PATRICIA HEARST will be obtained through
interception of communications of these telephones.

Affiant further believes that interviews with individuals residing at these addresses for the purpose of obtaining information concerning the kidnapping of PATRICIA HEARST would not be advisable in view of the potential danger to the victim of the kidnapping. It is further believed by affiant that interviews at these addresses would be unproductive because of the secrecy of the SLA which has been publicly announced by the group.

Affiant requests, therefore, that an order authorizing the interception of wire communications from telephones listed to the above addresses be granted for a period of 30 days. No previous application has been made concerning the above persons or premises in this investigation.

RE: TOPICS OF INTEREST DISCUSSED
AT EXECUTIVES CONFERENCE

The Executives Conference met on March 5, 1974, and three topics were discussed which I feel would be of interest to all of you.

 Consideration was given to a request of Attorney General Evelle J. Younger of California that the Bureau participate in a 'gaming' type operation designed to intensify investigative thinking in connection with the Hearst kidnaplug case. The discussion was most on that point, however, as the White House had already declined to have any Federal accasion participate. I precented to the Conference my observations concerning possible application of this technique to cases such as this, particularly in trying to determine the whereabouts of the vietim. This technique besically involves an analysis of all evaliable isformation, assessing weight to various alterna tives and thereby try to project what might be the reasons for cortain notion and what might be the bree plan of the criminals in order to give advantage to the planners. I have instructed that this technique be further explored for possible in-house une.

2. There was a discussion concerning a request from Attorney Coneral John Daniorth of Missouri for our observations

in connection with certain legislative proposals designed in the main to place criminal sanctions on activity facilitating the payment of ransom or taking other steps to obtain the release of the kidnaped victim. It was agreed that the Bureau should follow its traditional role of abstaining from commenting on proposed State legislation. Fowever, it is our view that each kidnaping case should be treated according to its individual requirements and that imposing stringent limitations upon those involved in such cases could be unwise in that it could adversely affect the possibility of completing arrangements for the sale return of the victim. Further, the proposals in question (except for some already covered by statutes requiring reporting crimes and prohibiting receiving fruits of the crime) would not be effective in achieving their desired purpose and in fact the likelihood exists that legislation such as this forbidding payment of ransom and related activity might tend to cause individuals to refrain from notifying law enforcement authorities of kichapings in order that they could ecvertly attempt to pay ransom or do other things in an effort to effect the release of a loved on 3.

DISSEMINATION OF EXECUTIVES CONFERENCE MATTERS TO SPECIAL AGENTS IN CHARGE -Executives Conference Meeting 3/5/74

PATRICIA At the Executives Conference held on 3/5/74, consideration was given to the request of Attorney General Evelle J. Younger, of California, that the Bureau participate in a "gaming" type operation designed to intensify investigative thinking in connection with the flearst kidnaping case. The discussion was moot on that point, however, as the White House had already declined for any Federal agencies to participate. The Director did present observations concerning the possible application of this technique to cases such as this, particularly in trying to determine the whereabouts of the victim. He instructed that this technique be further explored, which action is being separately initiated by Mr. Miller.

There was a discussion concerning certain legislative proposals 💆 by Attorney General John Danforth, of Missouri, as set forth in a memorandum from the Office of Legal Counsel to Mr. Miller, dated 3/4/74. These proposals, in the main, reflect a desire to place criminal sanctions on activity designed to assist in any way in facilitating payment of ransom or the taking of other steps to obtain the release of a kidnaped victim. It was agreed that the Bureau should follow its traditional role of abstaining from commenting on proposed State legislation, and at the same time it was felt that the proposals in question (except for some already covered by statutes) would not be effective in achieving their desired purpose and, in fact, the likelihood exists that legislation such as this might tend to cause individuals to refrain from notifying law enforcement authorities of kidnapings, in order that they could covertly attempt to pay rangem do other things which might effect the release of a loved one. 20 MAR 4 2 1974

Re: Dissemination of Executives Conference Matters to SACs - Exec. Conf. 3/5/74

Mr. Jamieson submitted a suggestion for consideration whereby it was proposed that we discontinue the Bureau rule requiring an SAC to furnish the Bureau with the basis, and full justification, for his action in approving an Agent sitting at counsel table. This rule grew out of an incident many years ago. It was agreed that circumstances today no longer warrant submission of this information to the Bureau. The approval of the suggestion will be handled separately by the Training Division.

That the Director indicate which, if any, of the foregoing items should be disseminated to the SACs.

LaTuna, Texas, while incarcerated in the Control Unit, U.S.
Penitentiary (USP). Atlana, invented the Church of the New
Song (CONS). Who is the proclaimed Bishop of
Telus, is the holder of a mail order degree in divinity.
His church doctrine is one of "eclat", which is the theory
of a "brilliant bursting forth". CONS has restricted its
membership to inmates of federal and state penitentiaries.
HIERIAULT filed a suit against the USP, Atlanta, demanding
that his organization be given full church privileges to
include a communion with filet mignon and Harvey Bristol
Creme Sherry. WHERI T admitted in this suit before U.S.
District Judge NEWELL EDENFIELD, Atlanta, Georgia, that he
founded CONS as a game but then realized that it was a true
religion and he is now serious. Judge EDENFIELD recognized
CONS and decreed that it would have full status as a religion
not only within his district but throughout all federal prisons
in the United States. NORMAN A. CARLSON, Director, Bureau of
Prisons, refused to implement Judge EDENFIELD's decision and
is currently held in contempt of court by Judge EDENFIELD.
This decision is currently being appealed.

Experience has shown that CONS has no particular goal other than the ultimate goal of destroying the Bureau of Prisons, all discipline and that incarceration of anyone for any crime is illegal. It has chapters in several state and federal penitentiaries and is attempting to become a prisoner union. At the USP, Leavenworth, Kansas, it has attracted the most vicious, hardened and professional criminals as its members. These inmates operate on a theory of fear and have attempted to take over and disrut the penitentiary by threats, assaults, and intimidation.

Serving as the media for CONS is the newspaper "Prison Digest International", Iowa City, Iowa. This newspaper serves as a clearing house for all convicts throughout the nation and recently has become extremely vicious. The newspaper has exconvicts as its staff and the husband-and-wife team of attorneys J. JANE and STEVEN FOX, are their legal counsel.

#### ADMINISTRATIVE

The following information was obtained from an October, 1970 Knoxville report concerning

For your information, has long been known to the Knoxville Office as the result of numerous civil rights complaints made while incarcerated at Eddyville. None of these has had any apparent merit. From personal knowledge of agent personnel working the prison, he is known as a con-man without peer. About five years ago, he feigned an eye disorder and was taken to Paducah, Kentucky, for medical attention. While there, he persuaded his guard to release him temporarily, went to the U.S. District Court Clerk, where he filed a legal paper, then rented an ambulance to transport an imaginary relative to a hospital, and thus made his escape from the Paducah area. He was subsequently apprehended in Chicago as a result of his lack of knowledge of current car prices, when he tried to sell a car he had rented.

subsequently received nation-wide publicity as a con-man as a result of his activities in Cook County Jail while awaiting (and fighting) removal back to Eddyville. He has long been active as a "jailhouse lawyer" and has filed many briefs and petitions for writs for other inmates. He received an additional five years for the above escape. His original sentence was for Obtaining Property Under False Pretense and was for 13 years (from Louisville, Kentucky) and entered prison here on 1/31/61. He was proled on 5/19/70.

The subject has FBI Number He has prior felony convictions for ITSMV and ITSP.

is of a high order of intelligence, is affiable and talkative and as previously noted, unless he is known, he can, to use the words of a prison official, "sell you anything he wants to sell".

There was a detainer from the Sheriff's Office, Memphis, on file at the time of his parole. Since he refused to waive extradition, he was turned over to the Sheriff's Office, Eddyville, Kentucky, and an extradition hearing was set. He made bond in the amount of \$2,000 and of course, failed to return. Thus, he is still presumed to be wanted by Memphis authorities on a jewel conversion charge.

When he was paroled, not one known prison official believed he would "make it on the outside" because of his insatiable desire to play a confidence game for its own sake, as well as for the money involved.

He is regarded by the Warden and other officials as completely incorrigible, in that he is not believed capable of going straight.

#### LETTER - CONFIDENTIAL

Mr. Jack Spalding, Editor Atlanta Journal P.O. Box # 4689 Atlanta, Georgia 30302

Thought perhaps you might like to know confidentially Dear Mr. apalding that we have had a response from the alleged abductors of Fatricia Hearst in result of the Associated Press release of our open letter which was run in your newspaper on the 21 February 74.

As you may or may not know, I am and have been the resident Pastor of the Church of the New Song here at the United States Penitentiary since April, 1973 and can tell you here and now confidentially again that we have members in prisons all over the Country and it just so happened that the alleged abductors of Patricia Hearst also happen to have friends in prison out in California that are members of the Church of the New Song that we hoped would read our open letter that we released pleading for the release of Pattie Hearst and sure enough the idea worked because we had learned through the Underground News this past week that our message has been received and that they have made contact and will assure us that nothing will happy to Patricia Hearst of violent nature or physical harm. (I truly pray that the message is true and that we can rely on it because I have never been an advocate of such tactics or violence of any nature). I am actually trying to overcome such things by preaching every Sunday against violence toward solving any cause.

I truly believe that if I were out of Prison today that I could effect the release of Miss. Patricia Hearst real quick like and it just so happens that I do have an appeal bond set in my case that I may try to have signed for this purpose, providing that I can also get a bond set and made on a pending Breach of Trust charge in Tennessee.

Anyway, please be advised that when I send you News Releases that they are not for the purpose of any self glory but are sent solely for the henefit of others whom they stand to help in some form or fashion.

As pastor of the Church of the New Song and President of the Prisoners' Rights Union I am in pretty good position to know who is who and what is taking place here and across the Country and you would be shocked to learn what is really shaping up in this Country.

#### The Associated Prices

A group of prisoners at the Atlanta Federal Penitentiary, admitting respect for "a fell.o.w. con \_who.\_pulls--a--goodcaper," called Wednesday for the release of kidnaped Patricia Hearst.

Members of the "Church of the New Song" issued the plea in an open letter to Miss Hearst's abductors. She was kidnapped from her Berkeley, Calif., apartment Feb. 4, allegedly by members of the terrorist Symbionese Libera-# tion Army.

"We want you to know that we have a certain amount of respect, even admiration, for a fellow con who pulls a good caper, one that is reasonable and utmost where there is no violence involved," the letter read. "According to the infor-p mation we have, Miss Hearst has long been in sympathy with the causes of the downtrodden and has publicly advocated better understanding and equality under the law for those of us who have been tramped on and denied same."

For that reason, the convicts said "we do suggest and beg of you to consider the release of Miss Hearst unharmed at this time whereas she can return to her community and continue to give support to the downtrodden and at the same time prove to the people at large that you are humane individuals trying in the best way possible devoid of intentional violence to bring about a more formative understanding and program to the underprivileged people in this coun-

The letter said the goals of the abductors of Miss Hearst would be accomplished "due to the fact your demonstration ... has already opened the eyes of the people of this country to the extent that they have become fully aware and thus stand ready ... to act in any reasonable way possible to meet the needs of the peo-

ple whom you have asked them to help."

The letter described Miss Hearst, daughter of San Francisco newspaper publisher Randolph A. Hearst, as "someone who loves in us, not a false imagining, and unreal character, but looking through all our human imperfections, loves in us the divine ideal of our nature."

At 6:50 p.m., 3/6/74, ADIC William Sullivan Los Angeles Office, contacted me and advised that he had been contacted by a representative of the Attorney General's Office, State of California, who inquired of ADIC Sullivan if he or other representatives from the FBI were going to attend the conference proposed by Evelle Younger, Attorney General, of various Federal agencies on 3/7/74, to discuss possible eventualities in regard to captioned matter.

I advised ADIC Sullivan that this conference was proposed several days ago by Younger through Lewis Aoffacker. Department of State, and Chairman of the President's Committee to Combat Terrorism and subsequently passed on to the White House which opposed the proposed conference. I also advised ADIC Sullivan that this matter was discussed at an Executive Conference on 3/9/74, and it was the unanimous opinion of all present that the FBI should not participate in the proposed meeting. This decision was based on our concern for the safety of the victim.

I advised ADIC Sullivan that he should contact Younger's Office and advise them that the FBI would not be able to attend the conference and that this decision was reached on a high level in Washington. The primary reason for this decision being concern for the safety of the victim.

SAC Larson, Los Angeles Office, subsequently called FBIHO and advised that Attorney General Younger's Office was notified that FBI would be unable to attend the proposed conference 3/7/74.

This memorandum is in reply to the Director's inquiry, "Do we have any programs in FOs such as outlined in these 2 teletypes". The two teletypes contain the observations of Special Agents in Charge (SACs) Shroder and Moore regarding their analyses of the Hearst Kidnaping case. These observations were furnished to SAC and ASAC,

These observations were directed toward the implementation of investigative activity designed to solve this case. Suggestions were made for programs primarily designed to identify, locate, and interview individuals connected with various extremist type organizations and/or who could be suspects in the kidnaping.

The San Francisco Office has advised and a review of the material submitted by San Francisco and other offices conducting important investigative activity in this case reveals that these suggestions are being followed. Numerous individuals have been identified, background investigation conducted, and interviews have been and are continuing to be held consistent with the victim's well-being

Both SACs stressed the importance of informant development and utilization and the availability of sufficient funds for reimbursement for pertinent information from informants. In this regard, sources have been and are continuing to be developed to provide assistance in this case. 18 MAR 12 1974

IEN L'CIPE Utilization of sophisticated techniques is continually being explored for feasibility and in-this regard it is noted that a Title III request is pending with the Department. Additionally, we have several lookouts established on a 24-hour basis in the Oakland area on

Memorandum to Mr. Gebhardt Re: HEARNAP

It is noted that the San-Francisco-daily summary is routinely provided to all California Offices in order that all our Agents assigned in California are aware of the developments in this case. Pertinent information germane to any other office's investigation in this case is being amply provided.

Prison guards have been contacted, the tapes have been played to them and they are acutely aware of the type of information we desire. The San Francisco Office is reviewing closely the material seized by the Oakland Police Department and acting upon the most pertinent information contained therein.

It is noted that a considerable amount of the documentary material obtained contains data not only of use in this kidnaping investigation, but is also applicable to investigation in the security field. This material will be continually evaluated for intelligence data regarding the SLA and other similar extremist organizations.

THE FOLLOWING SUPPLEMENTS COMMENTS AND OBSERVATIONS: MADE BY ASSISTANT TO THE DIRECTOR WANNALL CONCERNING THE INTELLIGENCE ASPECTS OF CAPTIONED CASE.

IT WAS APPARENT DURING MY STAY IN SAN FRANCISCO THIS CASE IS RECEIVING EXCELLENT ATTENTION FROM AN ADMINISTRATIVE AND INVESTIGATIVE STANDPOINT. THE ENTIRE OPERATION IS BEING PERSONALLY SUPERVISED BY SAC BATES. IN VIEW OF THE SIZE OF THE OFFICE, THE EXTREME INTEREST BY THE PRESS AND CONSIDERING OTHER RESPONSIBILITIES OF THE SAC. I WOULD RECOMMEND THAT IN FUTURE CASES OF THIS TYPE THAT A BUREAU OFFICIAL FAMILIAR WITH KIDNAPPING INVESTIGATIONS BE DESIGNATED TO HANDLE THE INVESTIGATIVE ASPECTS. THIS WOULD ALLOW THE SAC TO MAINTAIN CONTACT WITH THE PRESS, ESATBLISH LIAISON WITH FAMILY MEMBERS AND HE WOULD BE ABLE TO HANDLE OTHER ESSENTIAL SAC FUNCTIONS. HE COULD BE KEPT ADVISED AND CONSULTED ON A DAILY BASIS CONCERNING DEVELOPMENTS AND INVESTIGATIVE PRIORITIES. THIS SHOULD IN NO WAY BE A REFLECTION ON AN SAC'S ABILITY TO HANDLE A CASE.

PRIOR TO MY DEPARTING SAN FRANCISCO, SAC MOORE AND I
REVIEWED THE SITUATION AND LEFT WITH THE OFFICE THE FOLLOWING
OBSERVATIONS CONCERNING THE INVESTIGATIVE DIRECTION OF THIS CASE.
THESE INCLUDED THE FOLLOWING:

- 1. IMMEDIATELY REVIEW OFFICE FILES FOR THE NAMES OF ALL INDIVIDUALS WHO COULD BE SUSPECTS IN A KIDNAPPING OR POSSIBLE MEMBERS OF SYMPATHETIC TO THE SLA. THIS WOULD INCLUDE PERSONS WHO HAD PREVIOUSLY ASSOCIATED WITH THE VO, VVAW, SDS, RNA AND RU. THE OFFICE INDICATED THERE WOULD BE APPROXIMATELY FOUR TO FIVE HUNDRED PERSONS IN THESE CATEGORIES. BACKGROUND INFORMATION SHOULD BE IMMEDIATELY OBTAINED INCLUDING PRESENT WHEREABOUTS, EMPLOYMENT, ETC., AND THEN IMMEDIATE INTERVIEWS CONDUCTED, IF NECESSARY ASSIGNING ONE OR TWO CASES TO EACH AGENT IN THE OFFICE.
- 2. IT APPEARED THAT THE SLA WAS SPAWNED IN THE PENAL INSTITUTIONS IN THE BAY AREA AND THAT THE GUARDS IN THESE INSTITUTIONS ARE IN A POSITION TO OBTAIN INFORMATION THROUGH VARIOUS MEANS FROM THE INMATES INVOLVED. THE SAN FRANCISCO SWAT MEMBERS HAVE DEVELOPED A RATHER CLOSE RAPPORT WITH A NUMBER OF THESE GUARDS AND IT WAS SUGGESTED THESE GUARDS BE IMMEDIATELY CONTACTED IN ORDER TO ALERT THEM TO THE TYPE OF INFORMATION DESIRED. END PAGE TWO

SD 7-496

- ALL OF THE MATERIAL OBTAINED BY THE OAKLAND PD IN THEIR SEARCHES AND THROUGH A PRIORITY SYSTEM INITIATE INVESTIGATIONS ON THOSE MATTERS WHICH APPEAR TO PERIAIN TO THE IDENTITIES OF SLA MEMBERS, LOCATIONS, OR POSSIBLE HIDEOUTS.
- 4. BASED UPON A REVIEW OF THE FILES AS SET FORTH IN ITEM
  ONE ABOVE, CONSIDER INITIATING PHOTOGRAPHIC AND PHYSICAL
  SURVEILLANCES, ALSO CONSIDER THE EMPLOYMENT OF TITLE THREE
  COVERAGE WHERE POSSIBLE.
  - AWARE THAT SUBSTANTIAL FUNDS ARE AVAILABE TO REIMBURSE INFORMANT WHO COULD PROVIDE INFORMATION CONCERNING LOCATION OF VICTIM.

    SAC MOORE ADDITIONALLY SUGGESTED THAT TOP HOOD INFORMANTS BE CONTACTED IN THIS REGARD SINCE THEY ARE KNOWN TO HAVE A HIGHLY DEVELOPED INTELLIGENCE NETWORK AND WITH THE AVAILABILITY OF FUNDS COULD DEVELOPE INFORMATION OF VALUE.

BASED UPON MY REVIEW OF THE INTELLIGENCE DATA AND INFORMATION DEVELOPED THROUGH INVESTIGATION IT IS APPARENT THAT THIS TYPE OF ACTIVITY IS BEING WELL RECEIVED END PAGE THREE

UNITED STATES C Dap. AD Adm MemorandumDep. AD Inv. 3 - 6 - 74DATE: MR. JENKINS R. R. FRANCK SUBJECT: HEARNAP 3-5-74 to advise that who is also a sponsor of radio programs, desired to make an offer to Mr. Randolph Hearst of \$1 million reward for the apprehension of subjects in captioned matter. The cated he had talked to concerning this and had thrown cold water on it for lear of jeopardizing victim's wellbeing at this time. Now, was considering a "grass roots" solicitation of reward money and wanted to know what our feeling would be on such a matter. I told I that I would bring this again to Mr. Hearst's attention through and would get back to him. I contacted ASAC Kelly of the San Francisco Office to relay the above and instructed that he bring offer to and Mr. Hearst's attention to insure that they did have all the facts in this matter. Last evening ASAC Kelly called me at home and stated he had talked with and Hearst and they were of the opinion rewards for the apprehension of Miss Heart's kidnapers would only be provocative and could cause increased danger to Miss Hearst. ASAC Kelly stated himself to thank him and would probably contact for their offer. This morning I contacted nd relayed to him Mr. Hearst and seeing in this matter. REC-88 RECOMMENDATION: None. The Symbionese Liberation Army (SLA) is believed to have been in existence since August, 1973. On 11/6/73. MARCUS FOSTER, a black Superintendent of Oakland, California Public Schools, was assassinated and his assistant seriously wounded by gurfire. The following day, SLA Communique Number I was mailed from San Francisco claiming credit for the assassination by the use of cyanide bullets. At the time of the mailing of the Communique, no one outside of the Oakland Police Department had been aware that the bullets killing FOSTER had indeed contained cyanide. On 1/10/74, RUSSELL LITTLE and JOSEPH REMIRO, SLA members, were arrested near Concord, California after a shootout with police and were charged with FOSTER's murder.

PATRICIA CAMPBELL HEARST, the daughter of RANDOLPH HEARST, was abducted from a Berkeley, California apartment on the evening of 2/4/74. By cassettes and letters, the SLA has claimed credit for the kidnaping and these claims are undoubtedly true.

The first Communique in the HEARST matter was a letter from the SLA, received at Berkeley Radio Station KPFA, on 2/7/74, enclosing the victim's Mobil Oil Credit The second HEARST Communique was a cassette received at KPFA on 2/12/74 containing the voice of SLA Field Marshal "CINQUE", the victim, and what appeared to be another Negro male. The third Communique was a casset

recovered by Reygrend CECIL WILLIAMS from the San Francisco
Airport Bus Terminal on 2/16/74. The majority of this
cassette was speaking by the victim with a short part at
the end by "CINOUE". The fourth HFARST Communique was a
cassette in which "CINOUE" did most of the speaking with a short
ending by the victim. No Communiques have been received since
2/20/74, and the whereabouts of the victim is unknown.

"CINQUE" has been identified as DONALD DAVID DE FREEZE, a Negro male who escaped from Soledad Prison on 3/5/78.

DE FREEZE is apparently the head of the SLA and directs it with an iron hand (UFAC Fugitive).

In addition to DE FREEZE, the SLA members listed below are prime suspects in HEARNAP and their whereabouts are unknown. All are believed to have been recent residents of the Berkeley-Oakland, California area:

Captioned investigation pertains to the kidnaping of
Patricia Hearst in 2/74. By teletype 3/6/74 (attached) San Francisco
recommended and it was approved that 25 additional agents from surrounding offices be sent to San Francisco to assist in this investigation. Also,
20 automobiles were requested, which cars were to have their own gasoline credit cards.

This morning I telephonically contacted SAC Arnold C. Larson in Los Angeles and he was instructed to furnish 15 agents and 10 cars. ASAC Clark F. Brown, San Diego, was instructed to furnish 5 agents and 5 cars and in the absence of SAC and ASAC in Sacramento, Supervisor Gerald Lee Davis was advised to furnish 5 agents and 5 cars. Individuals contacted were instructed to confirm my phone call with appropriate communication to the Bureau and San Francisco identifying agents, cars and expected time of arrival in San Francisco. ASAC John T. Kelly, Ban Francisco was advised of these arrangements.

WE HAVE LOCATED A FORMER PARAMOUR OF NIZMOON WHO COULD FURNISH NO INFORMATION REGARDING HER WHEREABOUTS OR HER REVOLUTIONARY ACTIVITIES BUT DOES ADVISE THAT SHE WAS A CLOSE FRIEND OF CAMILLA HALL. WE HAVE LOCATED OTHER INDIVIDUALS WHO KNEW MIZMOON IN THE PAST WHO HAVE NO INFORMATION REGARDING HER WHEREABOUTS. SLA. OR THE KIDNAPING.

INTENSIVE INVESTIGATIVE EFFORTS CONTINUING IN AN EFFORT
TO DETERMINE THE PRESENT WHEREABOUTS OF CAMILLA C. HALL
BOTH IN THE BERKELEY-OAKLAND AREA WHERE SHE FORMERLY RESIDED
UNTIL FEBRUARY 19, 1974 AND IN THE PENINSULA AREA SOUTH OF

IT SHOULD BE NOTED THAT RECENTLY WE HAVE INTERVIEWED A NUMBER OF INDIVIDUALS IN THE ABOVE CATEGORY WHO HAVE BEEN UNCOOPERATIVE AND WE ARE COMPILING A LIST OF THESE INDIVIDUALS FOR POSSIBLE SUBPORNA BEFORE A GRAND JURY.

THE UNITED STATES ATTORNEY'S OFFICE HAS ADVISED THAT

A GRAND JURY WAS EMPANELED TODAY AND THAT THEY WOULD SUBPOENA

ANYONE BEFORE THIS GRAND JURY BASED UPON RECOMMENDATION OF THE

SAN FRANCISCO OFFICE.

ACTION AT THE PRESENT TIME, INFORMATION CONCERNING INDIVIDUALS APPEARING BEFORE THE GRAND JURY WILL BECOME KNOWN TO THE NEWS MEDIA AND RESULT IN WIDE-SPREAD PUBLICITY. SUCH.

PUBLICITY COULD CONCEIVABLY PRECIPITATE THE SLA IN TAXING RETALIATORY MEASURES AGAINST THE VICTIM. SAN FRANCISCO IS

OF THE OPINION AT THIS POINT THAT THE ONLY INDIVIDUAL WE SHOULD SUBPOENA BEFORE THE GRAND JURY IS SOMEONE WHO HAS DEFINITE END OF PAGE NINE

KNOWLEDGE AS TO THE LOCATION OF THE VICTIM AND WHO DURING INTERVIEW HAS REFUSED TO FURNISH THIS INFORMATION. IT SHOULD BE NOTED THAT SAM FRANCISCO IS UNAWARE OF ANY SUCH INDIVIDUALS AT THIS TIME.

AS BUREAU IS AWARE, SAN FRANCISCO, WITH ASSISTANCE OF UNITED STATES ATTORNEY'S OFFICE, IS PREPARING AFFIDAVITS FOR SEARCH WARRANTS AT KNOWN RESIDENCES OF SLA MEMBERS AND THEIR ASSOCIATES. IF WE SUBPOENAED INDIVIDUALS WHO WERE UNCOOPERATIVE BEFORE THE GRAND JURY, THIS COULD VERY POSSIBLY CAUSE THE INDIVIDUALS ON WHOM WE ARE PREPARING SEARCH WARRANTS TO FLEE AND THEREBY NEGATE THE VALUE OF OUR SEARCH WARRANTS. IT IS CONCEIVABLE THAT DURING THESE SEARCHES, WE MIGHT OBTAIN SOME INFORMATION WHICH WOULD IMPLICATE SLA ASSOCIATES OR OBTAIN EVIDENTIARY MATERIAL AGAINST HEARNAP SUBJECTS.

THIS OFFICE HAS EVERY INTENTION AT THE PROPER TIME OF HAVING SUBPOENAS SERVED ON INDIVIDUALS WHO HAVE BEEN UNCOOPERATIVE IN CONNECTION WITH OUR INVESTIGATION IN THIS MATTER, AND WE HAVE BEEN ASSURED BY THE UNITED STATES ATTORNEY'S OFFICE THAT THEY WILL COOPERATE WITH US TO THE FULLEST EXTENT.

Result of examination:

The typewriting on specimens Q1 through Qc8 in this case were compared insofar as possible with the typewriting in San Francisco case captioned "Unsub, Patricia Hearst"- Victim; Kidnapping, OO: San Francisco." but due to the limited amount of original typewritten material on specimens Q1 through Qc8 (the poor photocopies of Qc2, Qc4, Qc6, and Qc8), and the lack of a sufficient number of identifying defects on specimens Q1 through Qc8, no conclusion could be reached as to whether the questioned typowriting on specimens Q1 through Qc8 was or was not prepared by any of the similar style of typewriters used in the preparation of the typewritten material in the Hearst case. However, nothing of significance was noted from the comparisons made.

Result of examination:

Q8, Q10, Q12, and Q14 are electrostatic copies made tillring a coated paper, Characteristics indicate that Q8, Q10, Q12 and Q14 and Q2, Q4, and Q6 (previously submitted) may all have been made from the mamesoriginal.

Page 1

The typewriting on Q7 through Q14 is the same style as the typewriting on Q2, Q4, Q3 and Q8, proviously, submitted, which was determined to correspond to Laboratory standards for an Olympia elite style of type, spaced twelve characters per horizontal inch. However, due to the indistinct nature of the photocopies and the lack of sufficient individual identifying characteristics, a definite conclusion was not reached whether these items were prepared by the same typewriter.

O7, Q9, Q11, and Q13 are eight-cent embossed U. S. Postal Service envelopes bearing U. S. Government watermarks. Q7 through Q14 contain no indented writing of significance or other characteristics to aid in definitely determining their source.

Q7 through Q14, which have been photographed, are being returned separately,

ARMY (SLA)" was prepared by writing appears on Kl. A definite conclusion was not reached whether the remaining questioned hand printing on Q1 and Q2 was prepared by due to the presence of distortion in these portions of the hand printing, probably due to intentional disguise. A blue-green adhesive type material was observed on the top edge of Q2, indicating Q2 was torn-from a paper pad or tablet. Q1 and Q2 contain no watermarks or indented writing of significance. An eight-cent U. S. Postal Service stamp, torn from a book of stamps is affixed to Q1.

BARRON CHARLES BROADNAX, AKA BARRY, MALIK, LUMUMBA, IS MALE NEGRO, BORN FEBRUARY 25, 1948, FBI NUMBER 379293E. BROADNAX WAS RECEIVED BY CMC, SAN LUIS OBISPO, OH MAY 4, 1971, FOLLOWING CONVICTION FOR ROBBERY FIRST, FOR WHICH SENTENCED FIVE YEARS TO LIFE. WHILE AT CMC DURING JUNE 1971. HE WAS REPORTEDLY INVOLVED IN A PLAN TOASSASSINATE A CMC CORRECTIONAL OFFICER. BROADNAX WAS THEN A MEMBER OF THE AFRO UNITY ASSOCIATION (AUA), ALLEGEDLY FORMED TO UNIFY, EDUCATE AND RAISE THE LEVEL OF AWARENESS OF BLACK INMATES. BROADNAX WAS ALSO REPORTEDLY INVOLVED WITH OTHER AUA MEMBERS IN JUNE 1971 ESCAPE PLAN AND AUGUST 1971 PLAN TO KILL CMC CORRECTIONAL OFFICER IN RETALIATION FOR THE DEATH OF THE DEATH OF GEORGE SAN QUENTIN. ON AUGUST 14, 1971, BROADNAX WAS TRANSFERRED TO DEUEL VOCATIONAL INSTITUTE (DVI), TRACY, CALIFORNIA, WHERE HE WAS INCARCERATED IN THE MAXIMUM SECURITY SECTION. END PAGE TWO

BROADNAX WAS RETURNED TO CMC. SAN LUIS OBISPO. APRIL 11, 1973.

CMC OFFICIALS ADVISED BROADNAX IS AFFILIATED WITH THE UNITED PRISONERS UNION, SAN FRANCISCO, AND IS CONSIDERED BY CORRECTIONAL OFFICERS TO BE A MILITANT. HE IS AN AVID READER OF MARXIST - LENINIST AND MADIST LITERATURE AND IS A LONER. HE PRESENTLY WORKS APPROXIMATELY THREE TO FOUR HOURS DAILY IN A MAINTENCANCE CAPACITY AND SPENDS THE REMAINDER OF HIS TIME IN HIS CELL. HE HAS LITTLE ASSOCIATION WITH OTHER INMATES OTHER THAN BLACK INMATES OF SIMILAR ANTI-ESTABLISHMENT MILITANT BELIEFS. ALTHOUGH HE IS KNOWN TO PRISON OFFICIALS AS A RADICAL, HIS RECENT CONDUCT REFLECTS SUPERFICIAL ATTEMPT TO CONFORM WITH PRISON REGULATIONS, AND LETTER FORWARDED WITHIN LAST WEEK TO CORRECTIONAL COUNSELORS STATING BROADNAX IS POLITE, COOPERATIVE, NOT A CUSTODIAL PROBLEM. THE ABOVE MENTIOPED TAPE AND CREDIT CARD INSIDE A PLASTIC JACKET OF THE TAPE AND TAPED TO THE WALL STATED THAT, ACCORDING TO THE TAPE. THE FBI WAS NOT TO RECEIVE THIS TAPE AND THAT THE FBI WAS NOT TO ACKNOWLEDGE THAT THEY HAD. RECEIVED THE TAPE. THE TAPE RECORDING LASTS APPROXIMATELY 30 MINUTES. THE FIRST VOICE ON THE TAPE IS THAT OF AN UNIDENTIFIED FEMALE. SHE INDICATES THAT THE HOPES AND FEARS OF OUR PEOPLE ARE THE CONCERN OF THE SLA AND THAT THE SLA. DOES NOT CONDONE THE PROPOGANDA ACTIONS OF THE NEWS MEDIA. INDICATES THAT THE REASON FOR SUSPENSION OF SLA COMMUNICATIONS IS THE FACT THAT THE PRESS HAS DISTORTED THE COMMUNICATIONS AND HAS NOT. AS PREVIOUSLY DEMANDED, PUBLISHED THE COMPLETE TEXT OF THE PRINCIPLES OF THE SLA. SHE REFERS TO THESE PRINCIPLES AS BEING ONE: REVOLUTION, TWO: GUNS, AND THREE: TRUTH. SHE INDICATES THAT ALL DOCUMENTS MUST BE PRINTED PHBLICLY. INCLUDING THE SLA PROGRAM. COMPLETE DETAILS REGARDING THE FOSTER CASE (REFERS TO THE SLAYING OF OAKLAND SCHOOL END PAGE TWO

PAGE THREE

SUPERINTENDETHY MARCUS FOCTER ON NOVEMBER 6, 1973), AND DETAILS OF THE SLA FOOD PROGRAM. WITH REFERENCE TO THE PEOPLE IN NEED (PIN) PROGRAM SHE IS HIGHLY CRITICLAL REFERRING TO THE POOR QUALITY OF THE FOOD, THE LONG LINES OF PEOPLE WAITING TO RECEIVE THIS FROOD AND THE FACT THAT ONLY A SMALL NUMBER OF INDIVIDUALS HAVE RECEIVED FOOD UNDER THIS PROGRAM. SHE MAKES REFERENCE TO A STATEMENT BY THE WESTERN ADDITION PROJECT AREA COMMITTEE (WAPAC) WHICH WAS CRITICAL OF THE PROGRAM AND ALSO COMMENTS CONCERNING VICTIM'S MOTHER'S PARTICIPATION AS A MEMBER OF THE BOARD OF REGENTS AT THE UNIVERSITY OF CALIFORNIA AND THE HEARST FOUNDATION. SHE DESCRIBES THE AFORMENTIONED AS ENGAGING IN CRIMINAL ACTIVITIES. SHE CONTINUALLY MAKES REFEREINCE TO THE FBI. THE RECENT STATEMENT OF THE ATTORNEY GENERAL REGARDING DUSTING IN ON THE SUBJECTS AND RISKING LIFE OF VICTIM AND INDICATES THAT CONTINUED FSI INVESTIG-GATION WILL RESULT IN THE EXECUTION OF THE VICTIM. SHE CONCLUDES WITH THE DEMAIND THAT RUSSSELL LITTLE AND MOSEPH REMIRO, CURRENTLY CHARGED AND INCARCERATED IN CONDECTON TO THE FOSTER KILLING. BE ALLOWED TO PUBLICLY MAKE STATEMENTS CONCERNING THEIR PHYSICAL . CONDITION AND THE CONDITIONS SURROUNDING THEIR CONFINEMENT. THE END PAGE THREE

SECOND DEMAND WAS THAT THE TAPE BE PUBLISHED IN FULL IN THE NEWS

IT WOULD APPEAR THAT THE TAPE WAS MADE EITHER ON MARCH 6,1974, AND/OR SUBSEQUENT THEFTO BECAUSE OF THE FACT THAT A TAPE CONTAINING THE VOICES OF LITTLE AND REMIRO WAS PLAYED ON RADIO STATION KPFA AT 6:30PM. ON MARCH 6, 1974. IN THIS TAPE LITTLE AND REMIRO REFERRED TO A PLOT ON THE PART OF THE FEDERAL BUREAU OF INVESTIGATION AND THE DEPARTMENT OF JUSTICE TO HAVE THEM KILLED BY INMATES AND ACCUSE THE NEWS MEDIA OF WAGING A CAMPAIGN AGAINST THEM THAT HAS MADE IT IMPOSSIBLE FOR THEM TO RECEIVE A FAIR TRIAL AND REQUEST THAT THEY BE ALLOWED TO APPEAR BEFORE THE PUBLIC AT A NATIONALLY TELEVISED PRESS CONFERENCE AND STATE THEIR POSITION.

THE STATEMENT BY THE FIRST FEMALE LASTED APPROXIMATELY 12 MINUTES. THE NEXT VOICE ON THE TAPE WAS THAT OF THE VICTIM WHOSE VOICE WAS IDENTIFIED BY MEMBERS OF HER FAMILY AND AGENTS OF THE SAN FRANCISCO OFFICE. THE SEGMENT OF THE TAPE CONTAINING VICTIM'S VOICE WAS OF APPROXIMATE 12 MINUTES DURATION.

SHE WAS HIGHLY CRITICAL OF THE FBI, HER FATHER AND HER MOTHER.

END PAGE FOUR.

PAGE FIVE

SHE INDICATED THAT HER! PARENTS HAD NOT DONE ALL THEY COULD TO COMPLY WITH THE SLA DEMANDS. THAT HER FATHER CONTROLLED THE HEARST FOUNDATION AND THAT HE COULD HAVE INFLUENCED THE FOUNDATION TO PUT UP THE ADDITIONAL FOUR MILLION DOLLARS DEMANDED BY THE SLA. SHE ALSO MADE REFERENCE TO THE CRIMINAL ACTIVITIES OF THE UNIVERSITY OF CALIFORNIA BOARD OF REGENTS. OF WHICH HER MOTHER IS A MEMBER AND TO THE HEATST CORPORATION. SHE STATED THAT THE FEI, CONTRARY TO THEIR PUBLIC STATEMENTS, WAS NOT CONCERNED FOR HER SAFETY OR FOR THAT MATTER FOR THE SAFETY OF ANY HOSTAGES. SHE APPEARED TO BE READING HER STATEMENT AND MADE REFERENCE TO THE POOR QUALITY OF FOOD DISTRIBUTED BY THE PIN PROGRAM AND THE FACT THAT SLA DEMANDS IN CONVECTION WITH THIS PROGRAM HAD NOT BEEN COMPLIED WITH. SHE INDICATED THAT THE CONSTITUTIONAL RIGHTS OF REMIRO AND LITTLE HAD BEEN VIOLATED AND MADE REFERENCE TO REMARKS OF CALIFORNIA GOVERNOR RONALOGREAGAN WHICH SHE DESCRIBED AS BEING ENF PAGE FIVE

PAGE SIX

ANTAGONISTIC. IT SHOULD BE NOTED THAT REAGAN RECENTLY
PUBLICLY STATED THAT THE STATE OF CALIFORNIA WOULD NOT RELEASE
ANY PRISONERS IF DEMANDED BY THE SLA FOR THAT MATTER ANY
OTHER INDIVIDUAL AND/OR ORGANIZATION.

IN ESSENCE, DURING PATRICIA HEARST'S STATEMENT SHE WAS CRITICAL OF ALL ASPECTS OF THE FOOD DISTRIBUTION PROGRAM, HER PARENTS RESPONSE TO SLA DEMANDS, REMARKS OF GOVERNMENT AND STATE OFFICIALS CONCERNING THE KIDNAPING AND THE FBI'S INVESTIGATION IN CONNECTION WITH THE KIDNAPING. THE THIRD AND FOURTH VOICES ON THE TAPE APPEAR TO BE THOSE OF TWO UNIDENTIFIED FEMALES. THEIR VOICES ARE CONTAINED ON THE TAPE FOR APPROXIMATELY ONE MINUTE EACH AND THEIR COMMENTS REFER TO THE USUAL SLA RHETORIC.

THE LAST VOICE ON THE TAPE IS THAT OF AN INDIVIDUAL WHO IDENTIFIED HIMSELF AS BEING CINQUE. THIS IS UNDOUBTEDLY DONALD DAVID DE FREEZE, UFAC FUGITIVE WHOSE VOICE WAS ON THREE EARLIER TAPES. HE URGES ALL BLACK, YELLOW AND ALL OPPRESSED PEOPLE TO. COME TOGETHER TO ARM THEMSELVES AND "POINT THE SIGHTS OF THEIR GUNS TOWARD THE ENEMY". HE URGES ALL OPPRESSED PEOPLE, INCLUDING PIMPS AND PROSTITUTES, TO WAGE WAR AGAINST CORPORATIONS.

THE PORTION OF THE TAPE CONTAINING CINQUE'S VOICE LASTED APPROXIMATELY TWO MINUTES.

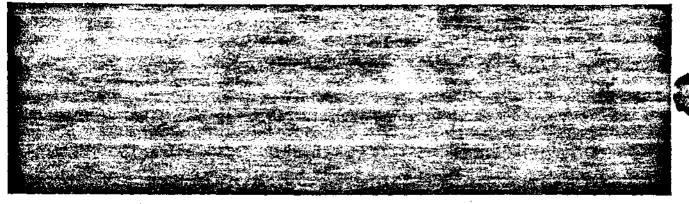

THE TAPE WAS OF EXTREMELY POOR QUALITY AND IN SOME PORTIONS ALMOST UNINTELLIGIBLE.

A COMPLETE TRANSCRIPT OF THE TAPE INSOFAR AS POSSIBLE WILL BE SUBMITTED TO THE BUREAU.

THE TAPE AND CREDIT CARD REFERRED TO ABOVE ARE BEING SUBMITTED TO THE LABORATORY FOR APPROPRIATE EXAMINATION AND LAB WILL BE REQUESTED TO COMPARE VOICES ON THE TAPE WITH PREVIOUS CASSETTES SUBMITTED IN CAPTIONED MATTER AND ALSO WITH THE CASSETTE CONTAINING THE VOICE OF NANCY LING PERRY.

SUBJECT: HEARNAP

On 3/5/74, at 3:17 a.m., Mr.

Associated Press\_(AP), Washington, D.C., telephone number
833-5310, telephonically advised he was in receipt of
news story from their Salt Lake City Bureau concerning a letter
written to Senator Frank Church by Field Marshal Cinque.

Mr. wanted to know if the FBI had received such a letter from Senator Church's Office allegedly written by Cinque. Mr. also stated that he was going to call Senator Church's Press Secretary even though it was currently 3:00 a.m. since in his opinion he thought this was a significant story. Mr. was advised that he would be promptly recontacted in this regard.

On 3/5/74, at 12:10 a.m., a teletype was received from our Butte Office captioned as above indicating that on 3/4/74, Mrs.

Senator Frank Church, Room 338,
Old Post Office Building, Boise, Idaho, made available what appears to be a Xerox copy of letter from Field Marshal Cinque, in envelope addressed Senator Frank Church, Boise, Idaho, postmark not readable.

In essence, the letter refers to making a better life for "Patricia" and states "I am that nigger that is no longer just hunted, robbed and murdered. I am that nigger that hunts you now."

Butte Office advised that telephonically contacted Senator Church's Administrative Assistant in Washington, D.C., who advised four similar letters received by Governors, New England section of U.S., and suggested letter be turned over to FBI. Contents of Butte teletype were relayed to U.S. Secret Service Headquarters, Washington, D.C., 3/5/74, and copy forwarded to Congressional Services Office.

: MR. JENKINS

SUBJECT: DIRECTOR'S BUDGET MATERIAL

FISCAL YEAR 1975

HEARNAP

DATE: March 5, 1974 Phyllips -

Bill Van Stavoren, Director, Budget and Finance Staff, Department of Justice, telephoned. He stated that during the Attorney General's testimony before the House Appropriations Committee today several items came up which would be of interest to us prior to Mr. Kelley's appearance tomorrow.

- 1. The Attorney General was asked as to the status of the FBI's investigation of the bombing of the Capitol. The Attorney General replied to the effect that Chief Kelley would be prepared to answer that question (response attached).
- 2. There was an extensive discussion of wiretapping. The Attorney Generalresponded in rather general terms to the effect that wiretaps are not as prevalentas generally thought. He said major abuses of wire apping are by agencies outside of the Department of Justice, such as Secret Service. When asked for statistics the Attorney General answered that he had no specific information but off the top of his head he thought that last year there were about 800 state authorized wiretaps and 200 Federally authorized wiretaps. The Attorney General is probably referring to statistics reported yearly by the Administrative Office of the U.S. Courts on Title III surveillances. We are not aware of what these figures are but as far as the FBI is concerned, we operated Title III installations under 98 court orders in the calendar year 1973. On page 28 of the suggested statement by the Director we have set out information pertaining to electronic surveillances in organized crime cases indicating that at the present time we have 9 telephone surveillances based on authority contained in 3 court orders. Details concerning electronic surveillances in security matters are set out in Exhibit #50 for possible off-the/record use. 7-15200-
- 3. There was some general questioning about the Hearst kidnaping case, to which the Attorney General responded again in general terms to the effect that the FEI had a lot of information but was holding back out of consideration for the safety of the victim. The Attorney General was asked whether the Bureau was in a positic to move in on the kidnapers right now if the circumstances were right and the Attorney General responded that he was not right up to date on current development but he was sure that Mr. Kelley would be able to brief them further on this. A general statement on the Hearst case appears in Exhibit 58, which may be used on the record./ NOT RECORDED

#### BOMBING OF U. S. CAPITOL

At approximately 1:30 a.m. on the morning of March 1, 1971, a bomb exploded in the old Senate wing of the U.S. Capitol causing damages of approximately \$100,000. No injuries occurred.

From the outset, the case was treated as a major case and upwards of 75 Agents in the Washington, D. C., area worked on an around-the clock basis. Thousands of interviews have been conducted and hundreds of suspects have been investigated. Investigation is still underway to identify the persons responsible for the bombing.

Channel 5. Cleveland, Uhlo, was interviewed at WEBS TV Studios, 3001 Buclid Avenue, Cleveland, Unio, and furnished the following information:

At approximately 3:00 or 3:30 p.m. on January 29. 1974, he received a telephone call at the television station which call was originally answered by a part-time employee at the station. Upon picking up the talephone, Fetated he heard what appeared to be someone attempting to start a tape recorder. Seconds later, a yoice was heard on the telephone stating his name, which could not recall, and that he was a member of the Symbionese Liberation Army (SLA). The tape continued, and the individual on the tape stated "You saw what we did in San Francisco yesterday" and there will be blood-letting in Cleveland if something is not done about the degrading of the black woman, principally the prestitution ring that is operating out of the Union Bar on Prospect Avenue. The tape continued and the individual stated that the community better turn their attention to the plight and oppression of the black people and that if something was not done, action would be taken starting with community leaders and media leaders. The stated that he could not recall all of what was on the tape and he could not recall exactly how the tape ended except that when it did end, the tele-phone was hung up. stated that the tape lasted approximately one to one and one half minutes.

pointed out that he did not report the telephone call immediately as the station and himself rec-ived many crank calls and at the time he received this particular call, he did not know of the SLA and that the kichapping of PATRICIA HEARST had not occurred. Vitated that on February 26, 1974, at approximately 11:40 p.m., he left the television station and was in the parking lot behind the television station at which time he was shot at by individual or individuals unknown. He stated he did not know where the shot came from. He was quick to emphasize that he did not know whether or not there was any -connection between the telephone call of January 29, 1974,

and the shooting inasmuch as the television station parking lot is in a high crime area and on numerous occasions, automobiles have been stolen and/or burglarized. He stated as an example that two weeks previous to the shooting, his car had been burglarized and someone had attempted to steal it.

stated that he had informed the Cleveland Police Department regarding the shooting immediately and that they were at present investigating, but there was little hope of any solution inasmuch as no spent cartridge or bullet could be located.

stated that his family was receiving protection from the Shaker Heights Police Department, the city in which he resides, but there has been no indication that his life or that of his family was in further danger.

For your assistance, although the typewriting on the address labels on Q1, Q3, Q5, Q7 and Q9 is too limited to classify, the typewriting on these labels corresponds to the same style of type.

It was noted that the typewriting on the sity and state portions of the addresses on the address labels on Q1, Q3, Q5, Q7 and Q9 is inked heavier and is out of register with the name portions of the addresses mutiles envelopes, indicating that the name portion of each address was typed on each label by a separate typewriting operation than the city and state portion of the addresses. Although the significance of this is not known at this time, this information is being furnished for your assistance.

Q10 Accompanying typewritten letter beginning "YOU SHOULD ALSO DEMONSTRATE THAT YOU. . . ending "FIELD MARSHAL CINQUE"

Result of examination; Q1 through Q10 were not associated with material maintained in the Anonymous Letter File. Coples have been added theogra-

Q2, Q4, Q6, Q8 and Q10 are oppies made from the same original utilizing what appears to be a memocgraph type process.

The typewriting on Q1, Q3, Q5, Q7 and Q9 is on pressure sensitive adhesive backed labels attached to the envelopes.

The conclusion was reached that the typewriter or typewriters used to prepare the addresses on envelopes Q1, Q3, Q5, Q7 and Q9 were not used to prepare the typewriting on the master from which Q2, Q4, Q6, Q8 and Q10 were made.

The typewriting on the address labels which is pica type, spaced ten characters per horisontal inch, is too limited to classify. Also the typewriting on Q2, Q4, Q6, Q8 and Q10 which is elite type, spaced twelve characters per horizontal inch, is too limited and too indistinct to permit elassification as to make.

The conclusion was reached that the typewriter or typewriters used in preparing the address labels on Q1, Q3, Q5, Q7 and Q9 were not used to prepare any of the questioned typewriting on items submitted in cases captioned" "HEARNAP", "Symbionese Liberation Army (SLA) EM" or "AUGUST SEVENTE GURRILLA MOVEMENT (ASGM) EM."

The typewriting on the copies Q2, Q4, Q6, Q8 and Q10 is too limited and too indistinct for adequate comparison purposes with other questioned typewriting.

However, the typewriting on items Q20 through Q23 and Q32 through Q39 in the HRARNAP case, the typewriting on items Q28, Q29 and portions of the typewriting on Q49 and Q50 in the SLA case, and the typewriting on Q3 through Q11, Qc13, Q16, Q17, Qc20 and Qc21 in the ASGN case have similar styles of type; however, for the reasons stated above, a definite conclusion could not be reached whether these items were prepared by the same typewriter. It was determined that the other questioned typewriting submitted in the HEARNAP, SLA and ASGN cases are different styles of type that the questioned typewriting on the copies Q2, Q4, Q6, Q8 and Q10.

Each sheet of paper, Q2, Q4, Q6, Q8 and Q10 bears the watermark "PARSON'S EDGEMONT BOND 50% COTTON FIBER" which is registered to the MVF Company, PC Drawer 311, Wilmington, Delaware. Q1 through Q10 contain no indented writing of significance or other characteristics to aid in definitely determining their source. An eight-cent U.S. Postal Service stamp is affixed to each of the five envelopes. These stamps were torn from a roll or rolls of stamps.

The submitted evidence is being returned separately to the contributing offices. Photographs are retained.

Nancy Ling Perry, William and Emily Harris, and Patricia Soltysik, also known as Mizmoon, all of whom are suspected of direct involvement in the Hearnap matter.

It is recognized that the Bureau should have the benefit of information developed through interviews of SLA

currently confined in the San Francisco area, in order to further pursue this investigation. Accordingly and consistent with the safety of Patricia Campbell Hearst, you should pursue those interviews at the earliest possible time.

Additional interviews of prison immates in your area, who have been or are later identified as contacts of known or suspected SLA personnel, should also be handled as rapidly as your investigative priorities and available manpower permit.

### NOTE:

The SLA is a violence-prone revolutionary group which has claimed credit for the 11/6/73 ambush slaying of the Oakland, California, Superintendent of Schools and his deputy and the 2/4/74 kidnaping of Patricia Campbell Hearst. Instructions being directed to the San Francisco Division to develop information per request of the Assistant Attorney General, Criminal Division, regarding aspects of captioned matters involving activities in the California prison system. This has been coordinated with the General Investigative Division.

No known writing for CAMILA HALL has been submitted. No known hand printing of SOLTYSIK is available in the Laboratory.

For your assistance, some resemblances were observed in comparing the Soltysik signature on Q106 with available writing of SOLTYSIK.

Characteristics observed in this comparison indicate that more than one writer may be involved in the preparation of Q106 through Q109.

MADE IT AVAILABLE TO THE SAN FRANCISCO OFFICE OF THE FBI.

THE TAPE RECORDING IS OF APPROXIMATELY 30 MINUTES DURATION. THE FIRST VOICE ON THE TAPE IS THAT OF AN UNIDENTIFIED FEMALE, WHO SAID HER NAME IS DALINA. SHE STATED THE HOPES AND FEARS OF OUR PEOPLE ARE THE CONCERN OF THE SLA AND THAT THE SLA DOES NOT CONDONE THE PROPAGANDA ACTIONS OF THE NEWS MEDIA. SHE STATES THAT THE SLA AND THE COURT OF THE PEOPLE WISH TO STATE TO THE PEOPLE THE REASONS BEHIND THE PRESENT SUSPENSION IN COMM-UNICATIONS AND NEGOTIATIONS. THE PEOPLE HAVE BEEN EXPERIENCEING THE TRUE MEANING OF THE HEARST EMPIRE'S SINCERITY. THAT TRUE MEANING BEING DECEPTION AND LIES. SHE CONTINUED THAT WE WISH TO PLACE BEFORE THE PEOPLE A COMPARISON OF THE SINCERE ACTIONS OF THE SLA AND THE COUNTER ACTIONS OF THE HEARST EMPIRE: ONE--THE COURT OF THE PEOPLE REQUESTED THAT ALL DOCUMENTS OF THE COURT BE PRINTED IN FULL. OMITTING NOTHING. THE HEARST EMPIRE OMITTED COMMUNIQUES ONE AND TWO CONCERNING THE FOSTER OPERATION AND COURT DOCUMENTS THAT WERE TO BE PUBLISHED. ALSO, THE MEANING OF THE SEVEN-HEADED COBRA ON THE REVERSE SIDE OF THE DOCUMENTS SHOWING THE EMBLEM OF THE SLA, WAS PURPOSELY OMITTED. TWO--THE COURT OF THE PEOPLE REQUESTED THAT SEVENTY DOLLARS OF TOP QUALITY FOOD, INCLUDING AN EQUAL BALANCE OF DRY STUFFS AND CANNED GOODS AND FRESH MEATS AND END PAGE TWO

SF 7-855

POULTRY, PRODUCE AND DIARY PRODUCTS BE GIVEN TO POOR FAMILIES IN VARIOUS BAY AREA COMMUNITIES AS A GESTURE OF GOOD FAITH SO THAT NEGOTIATIONS FOR PATRICIA HEARST MIGHT BEGIN. THE HEARST AND THE HEARST EMPIRE CONTRIBUTED TWO MILLION DOLLARS TO PEOPLE IN NEED. A PROGRAM SET UP BY HEARST IN REACTION TO THE REQUEST OF THE SLA. INSTEAD OF ISSUING THE TYPE AND QUALITY OF FOOD STIPULATED, PEOPLE IN NEED (PIN) SHOWED CONTEMPT FOR THE PEOPLE THROUGH ORGANIZATION AND THE DISTRIBUTION OF SURPLUS COMMODITIES INSTEAD OF TOP QUALTY FRESH MEATS. VEGETABLES AND PRODUCE. PIN ALSO ATTEMPTED TO SHAME THE PEOPLE BY TRYING TO DISTRIBUTE HOG FEED INSTEADE OF TOP QUALITY DRY STUFFS. THE PEOPLE HAD TO STAND IN LONG LINES FOR HOURS. ONLY TO BE TREATED AS DOGS WHEN THE PIN FOOD WAS THROWN AT THEM. MANY PEOPLE WERE INJURED BY POLICE IN EAST OAKLAND. THREE--THE SLA SHOWED SEVERE DISPLEASURE WITH THE MEAGER HEARST CONTRIBUTION AND WITH THE HEARST PIN PROGRAM. THE SLA REISSUED ITS GUIDELINES FOR AN ADEQUATE AND ACCEPTABLE FOOD DISTRIBUTION AND REQUESTED THAT THE HEARST EMPIRE ADD AN ADDITIONAL FOUR MILLION DOLLARS TO THE MEASLY TWO MILLION. IN A COMMUNIQUE. THE SLA PROVED THE HEARST TRICKERY BY STATING JUST HOW RICH AND POWERFUL THE HEARST EMPIRE END PAGE THREE

REALLY IS. THE HEARST CORPORATION RESPONDED THAT THEY WOULD PROVIDE THE ADDITIONAL FOUR MILLION DOLLARS. BUT ONLY AFTER PATRICIA HEARST IS RELEASED. HEARST PIN PROGRAM STATED THAT IT WOULD FOLLOW THE SLA DISTRIBUTION BUIDELINES. HOWEVER. INSTEAD OF SEVENTY DOLLARS WORTH OF TOP QUALITY FOOD. THE PEOPLE HAD GOTTEN EIGHT DOLLARS WORTH OF MEDIOCRE FOOD. INSTEAD OF FRESH MEAT, HALF THE PEOPLE RECEIVED ONE CHICKEN. MANY STOOD IN LONG. COLD LINES FOR ONLY A BAG FULL OF CABBAGE WHILE OTHERS GOT NOTHING AT ALL. PIN STEATED THEY DISTRIBUTED FOOD TO THIRTY THOUSAND PEOPLE, BUT THIS LIE WAS REVEALED BY WAPAC AND THE COALITION. WHICH SAID ONLY FIFTEEN THOUSAND WALKED AWAY WITH FOOD. SHE CONTINUED ON THAT WE FIND MULTIPLE REASONS FOR WHY THE HEARST EMPIRE HAS NOT COMPLIED WITH OUR REQUEST: 1. BY FRUSTRATING THE PEOPLE. FORCING THEM TO CONTINUE TO RETURN TO FOOD DISTRIBUTION CENTERS. STAND IN LONG LINES. AND RECEIVE EIGHT DOLLARS WORTH OF FOOD. THE HEARST EMPIRE ATTEMPTED TO DISCREDIT THE POLITICAL POINT OF THE ACTION. 2. BY HANDING OUT SURPLUS AND DONATED FOOD, SOME OF WHICH WAS NOT EVEN MEANT FOR HUMAN CONSUMPTION. IN AN UNDIGNIFIED MANNER, THE HEARST EMPIRE ATTEMPTED TO DISCREDIT AND DISPROVE THE EXAMPLE WE INTENDED TO DIS PLAY. 3. BY PROLONGING THE PROGRAM, SOLICITING DOMATIONS, AND BIVING NOWHERE NEAR THE REQUIRED AMOUNT.

PAGE FIVE SF 7-855

SHE CONTINUED ON THAT IN REGARD TO RANDOLPH HEARST'S REQUEST THAT PATRICIA BE ALLOWED TO COMMUNICATE PERIODICALLY WITH HER FAMILY.

1) THE SYMBIONESE WAR COUNCIL HAS DETERMINED THAT THE COMMUNICATION BETWEEN PARTICIA AND HER FAMILY WILL COME ONLY AFTER THE IMMEDIATE CREATION OF THE NECESSARY MECHANISM WHEREBY RUSSELL LITTLE AND JOSEPH REMIRO CAN COMMUNICATE VIA LIVE NATIONAL TELEVISION WITH THE PEOPLE AND THE SLA CONCERNING THE FULL SCOPE OF THEIR PHYSICAL HEALTH AND ON THE CONDITIONS OF THEIR CONFINEMENT. 2). THAT THIS TAPE AND TRANSCRIPT OF IT BE PUBLISHED IN FULL, OMITTING NOTHING, IN ALL FORMS OF THE MEDIA.

IT WOULD APPEAR THIS TAPE WAS MADE ON MAR. 6, 1974, OR SUBSEQUENT THERETO DUE TO THE FACT THAT A TAPE CONTAINING THE VOICES
OF LITTLE AND REMIRO WAS PLAYED ON RADIO STATION KPFA, BERKELEY
AT 6:38 P.M., MAR. 6, 1974. IN THIS TAPE, LITTLE AND REMIRO
REFER TO A PLOT ON THE PART OF THE FBI AND DEPT. OF JUSTICE TO HAVE
THEM KILLED BY INMATES AND ACCUSED THE NEWS MEDIA OF WAGING A
CAMPAIGN AGAINST THEM, MAKING IT IMPOSSIBLE FOR THEM TO RECEIVE

A FAIR TRIAL. THEY REQUESTED THEY BE ALLOWED TO APPEAR BEFORE THE PUBLIC AT A MATIONAL TELEVISED PRESS CONFERENCE TO STATE THEIR POSITION.

THE STATEMENT BY THE FIRST FEMALE LASTED APPROXIMATELY KA MINUTES. THIS WAS FOLLOWED BY THE VOICE OF THE VICTIM, WHOSE VOICE WAS IDENTIFIED BY MEMBERS OF HER FAMILY AND AGENTS OF THE SAN FRANCISCO OFFICE. THE SEGMENTS OF THE TAPE CONTAINING VICTIM'S VOICE WAS OF APPROXIMATELY 12 MINUTES DURATION. IN SUBSTANCE SHE WAS HIGHLY CRITICAL OF THE FBI. HER FATHER AND HER MOTHER, INDICATING HER PARENTS HAD NOT DONE ALL THEY COULD TO COMPLY WITH SLA DEMANDS. THAT HER FATHER, AS CHAIRMAND OF THE HEARST FOUNDATION, COULD HAVE INFLUENCED THIS ORGANIZATION TO PUT THE ADDITIONAL FOUR MILLION DOLLARS DEMANDED BY THE SLA. SHE STATED THE FBI. CONTRARY TO THEIR PUBLIC STATEMENTS, WAS NOT CONCERNED FOR HER SAFETY NOR, FOR THAT MATTER, FOR THE SAFETY OF ANY HOSTAGES. SHE REMARKED AT LENGTH ABOUT THE POOR QUALITY OF FOOD DISTRIBUTED BY THE PIN PROGRAM AND THE FACT THAT SLA DEMANDS IN CONNECTION WITH THIS PROGRAM HAD NOT BEEN MET. SHE INDICATED CONSTITUTIONAL RIGHTS OF REMIRO AND LITTLE HAD BEEN VIOLATED. MAKING A REFERENCE TO REMARKS OF CALIF. GOVERNOR REAGAN, WHICH SHE DESCRIBED AS BEING ANTAGONISTIC. IT SHOULD BE NOTED THAT END PAGE SIX

GOVERNOR REAGAN RECENTLY MADE A PUBLIC STATEMENT THAT THE STATE OF CALIF. WOULD NOT RELEASE ANY PRISONERS IF DEMANDED BY THE SLA, OR FOR THAT MATTER, ANY OTHER INDIVIDUAL OR ORGANIZATION.

THE THIRD AND FOURTH VOICES ON THE TAPE ARE THOSE OF TWO UNIDENTIFIED FEMALES, WHO SPOKE FOR APPROXIMATELY ONE MINUTE EACH. COMMENTING ON THE USUAL SLA RHETORIC.

THE FIFTH AND LAST VOICE ON THE TAPE IS AN INDIVIDUAL IDENTIFYING HIMSELF CINQUE, WHO IS UNDOUBTEDLY DONALD DAVID DE FREEZE, UFAC - FUGITIVE, WHOSE VOICE WAS ON THREE EARLIER TAPES. HE URGES ALL BLACK, YELLOW AND ALL OPPRESSED PEOPLE TO COME TOGETHER, ARM THEMSELVES AND POINT THE SIGHTS OF THEIR GUNS TOWARD THE ENEMY. HE URGES ALL OPPRESSED PEOPLE, INCLUDING PIMPS, AND PROSTITUES, TO WAGE WAR AGAINST CORPORATIONS. THIS PROTION OF THE TAPE CONTAINING CINQUE'S VOICE LASTED FOR ABOUT TWO MINUTES.

THE TAPE WAS OF EXTREMELY POOR QUALITY AND IN SOME PORTIONS ARMOST INAUDIBLE.

THE TAPE POINTED OUT THAT THE PEOPLE SHOULD NOT COOPERATE WITH THE FBI, WHICH LED TO A FALSE ASSUMPTION ON THE PART OF KSAN AND "SAN FRANCISCO EXAMINER" PERSONNEL THAT THE STATEMENT WAS END PAGE SEVEN

MADE ON THE TAPE THAT IT SHOULD NOT BE TURNED OVER TO THE FBI.

SUCH A STATEMENT PER SE DID NOT APPEAR ON THE TAPE.

THIS TAPE AND MEMBERSHIP CARD, REFERRED TO ABOVE, HAVE BEEN SUBMITTED TO THE FBI LABORATORY FOR APPROPRIATE EXAMINATION, ON MARCH 10. 1974.

COPIES OF THE TAPE WERE FURNISHED BY COURIER AND/OR TELE-PHONICALLY TO THE INDIANAPOLIS OFFICE, SANTA BARBARA RA OF THE LOS ANGELES OFFICE, AND THE SANTA ROSA RA OF THE SAN FRANCISCO OFFICE TO BE PLAYED TO ASSOCIATES OR RELATIVES OF PRIME SUSPECTS IN HEARNAP.

# Memorandum

: Mr. White

DATE: March 6, 1974

B. P. Herndon

SUBJECT: HEARNAP

## SYNOPSIS:

The Director has requested us to explore the possibility of using game theory or other rationalistic-model techniques to assist in selecting courses of action for locating kidnap victim Patricia Hearst. With the assistance of General Investigative Division personnel supervising this investigation, the Laboratory has reviewed information gathered to date. In our opinion we lack, at this time, the quantitative input data necessary for construction of a problem "model." We will continue to follow this investigation to ascertain whether or not such techniques might be productively employed in the future.

### DETAILS:

The use of rationalistic-model techniques was first employed in World War II to assist in such tasks as planning reconnaissance flights for detecting enemy submarines. After the war government and industry used these techniques as management tools. Specific categories include operations research, game theory, systems engineering, and matrix summarie

Memo to Mr. White Re: HEARNAP 7-15200

These techniques are particularly well suited to problems which are complex, yet have known characteristics which can be measured in quantitative terms. Before these techniques may be employed, three conditions must exist:

- 1. The problem must be capable of being stated in the form of mathematical symbols
- 2. A set of equations, or "model," must be designed to include the various factors that should be taken into account and the relationship between them.
- 3. Quantitative data must be furnished for each of the variables and their weights.

The Cryptanalysis Unit of the Laboratory employs model techniques for selecting attacks on encrypted messages. Much of the input data is not precisely quantifiable, hence numerical values are expressions of subjective judgments given estimated weights through use of such mathematical tools as Bayes' Theorem.

Nearest our situation is war gaming as conducted by the military services. This carries operations research one additional step by including a changing environment which will be affected by our actions and reactions. To explore the possible use of war gaming techniques a Laboratory representative contacted Colonel Joseph Murphy, War Gaming Directorate, U.S. Army Concepts Analysis Agency, Bethesda, Maryland, who convened his top-level staff to explore our problem.

Memo to Mr. White Re: HEARNAP 7-15200

While several of their techniques such as factor analysis (used to sort out past behavioral patterns and predict future ones) and terrain models might have future application, the data now available to us (i.e., background noises on tape recordings and limited personal history of prime suspects) is insufficient to permit either model construction or assignment of quantitative values for individual variables.
